HCC wins Rs 1031.6 Cr order from MSRDC

Mumbai, October 14, 2024: Hindustan Construction Company Ltd. (HCC) has been awarded a Rs 1,031.6 crore contract by Maharashtra State Road Development Corp. Ltd. (MSRDC) for the construction of a two-lane bridge across Agardanda Creek in Raigad District on Revas-Reddi Coastal Highway (MSH-04) in Maharashtra on an EPC mode.

The total length of the Bridge is 4.3 km, consisting of approaches of 45 m on the Agardanda side, 145 m on the Dighi side, and the main Bridge of 4,120 m. The Bridge is located on the offshore side of Agardanda Jetty and Dighi Port. The project includes two navigation spans with horizontal clearance of 100 m and vertical clearance of 15 m. The Bridge proper consists of a cable-stayed superstructure for navigational spans totalling 420 m with a span configuration of 67.5 m + 142.5 m + 142.5 m + 67.5 m.

Once completed, this project is poised to contribute to enhanced connectivity, reduced travel time and the region's overall economic development. This latest win by HCC is yet another contribution by the company to Maharashtra's infrastructure landscape.

About HCC:

HCC is a business group of global scale developing and building responsible infrastructure through next practices. With an engineering heritage of nearly 100 years, HCC has executed a majority of India's landmark infrastructure projects, having constructed 26% of India's Hydro Power generation and 60% of India's Nuclear Power generation capacities, over 4,036 lane km of Expressways and Highways, more than 402 km of complex Tunnelling and 403 Bridges.
