HCC wins ₹1,662 Cr GMLR Phase IV Contract in JV

Mumbai: March 19, 2026: Hindustan Construction Company Limited (HCC) secured a significant infrastructure contract valued at approximately ₹1,662.27 crore from the Brihanmumbai Municipal Corporation (BMC), for the construction of Goregaon–Mulund Link Road (GMLR) Phase IV. The project has been awarded to the Aakshya-HCC Joint Venture, in which HCC holds a 49% stake.

The scope of work under the contract includes construction of a second-level flyover and free-left movements at grade in Phase I. The total length of the flyover is 1,330 metres, while the at-grade road length is 3,200 metres and the free-left at-grade length is 2,620 metres.

Phase II involves construction of a cloverleaf interchange and free-left bypasses at grade, with a total cloverleaf loop and interchange length of 2,400 metres and free-left bypasses at-grade extending to 3,600 metres. The scope also includes an obligatory cable-stayed span of 180 metres and ramps with a total length of 270 metres.

The project is part of the Goregaon–Mulund Link Road corridor being developed by BMC to improve east–west connectivity in Mumbai.

About HCC:

HCC is a business group developing and building responsible infrastructure through next practices. With an engineering heritage of nearly 100 years, HCC has executed a majority of India's landmark infrastructure projects, having constructed 26% of India's Hydro Power generation and 60% of India's Nuclear Power generation capacities, over 4,036 lane km of Expressways and Highways, more than 402 km of complex Tunnelling and 403 Bridges. Today, HCC serves the infrastructure sectors of Transportation, Power and Water.
