**Press Release**

# HCC reports Net Profit of ₹37 Cr for Q2 FY27

## Construction business records turnover of ₹896 crore in Q2 FY27

**Mumbai: November 5, 2026:** HCC's standalone E&C business recorded a turnover of ₹895.8 crore and a net profit of ₹36.8 crore in Q2 FY27, compared with ₹957.8 crore and ₹36.7 crore, respectively, in the corresponding quarter last year. On a consolidated basis, revenue stood at ₹896.8 crore, compared with ₹960.7 crore in Q2 FY26, while consolidated profit was ₹22.6 crore against ₹47.8 crore in the corresponding quarter of the previous year.

**Financial highlights – HCC unaudited standalone results**

- Turnover of ₹895.8 crore in Q2 FY27 versus ₹957.8 crore in Q2 FY26
- Net Profit of ₹36.8 crore in Q2 FY27 versus ₹36.7 crore in Q2 FY26
- EBITDA margins at 12.2% in Q2 FY27 compared to 16.1% in Q2 FY26

During the quarter, HCC secured a new order worth ₹524 crore and emerged as the lowest bidder for projects valued at ₹2,010 crore (HCC share: ₹1,557 crore). In addition, bids submitted aggregating approximately ₹34,805 crore remain under evaluation.

Execution across HCC's project portfolio progressed well during the quarter. In the transportation sector, Factory Acceptance Tests for the first Tunnel Boring Machine (TBM) were completed for both Indore and Patna Metro projects, with two TBMs successfully lowered at Indore. At the Agardanda Creek Bridge, work progressed on the foundations and construction of bridge segments.

In the power segment, excavation and steel liner fabrication progressed at the Bhivpuri Pumped Storage Project. Furthermore, dam and intake concreting at the Vishnugad Pipalkoti Hydroelectric Project reached 79% completion. Excavation also progressed at Tapovan Vishnugad, while mobilisation began for the Wangchhu Hydroelectric Project in Bhutan.

Water infrastructure projects achieved key milestones, with the Parwan Dam reservoir undergoing initial filling and three dredgers commissioned at Salal Dam following mobilisation and testing.

As part of its deleveraging strategy, HCC prepaid ₹100 crore of debt in Q2 FY27 and has begun executing a further pre-payment of ₹108 crore by December 2026.

**About HCC:**

HCC is a business group developing and building responsible infrastructure through next practices. With an engineering heritage of 100 years, HCC has executed a majority of India's landmark infrastructure projects, having constructed 26% of India's Hydro Power generation and 60% of India's Nuclear Power generation capacities, over 4,036 lane km of Expressways and Highways, more than 402 km of complex Tunnelling and 403 Bridges. Today, HCC serves the infrastructure sectors of Transportation, Power and Water.
