

**Independent Auditor's Report**

**To the Members of Lakeshore Watersports Company Limited**

**Report on the Financial Statements**

We have audited the accompanying financial statements of **Lakeshore Watersports Company Limited** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March 2017, the Statement of Profit and Loss, Statement of changes in equity and the Cash Flow Statement for the period then ended and a summary of the significant accounting policies and other explanatory information.

**Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 4 of the Companies (Indian Accounting Standard) Rules, 2015. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order

to design audit procedures that are appropriate in the circumstances, An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017, and its profit, changes in equity and its cash flows for the year ended on that date.

### **Other Matters:**

The comparative financial information of the company for the year ended March 31, 2016 and the transition date opening balance sheet as at April 1, 2015 included in these Standalone financial statements are based on the previously issued statutory financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 audited by the predecessor auditor whose report for the year ended March 31, 2016 and March 31, 2015 dated April 19, 2016 and April 21, 2015 respectively expressed an unmodified opinion on those standalone financial statements, as adjusted for the differences in the accounting principles adopted by the company on transition to the Ind AS, which have been audited by us.

Our opinion is not modified in respect of this matter.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India Ministry of Corporate Affairs in terms of sub-section (11) of section 143 of the Act, we enclose in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the said Order, to the extent applicable.

**ANNEXURE 'B' TO THE AUDITORS' REPORT**

(Referred to in paragraph 2 (f) under the heading 'Report on other legal and regulatory requirements' of our report on even date on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") to the members of the Company for the year ended March 31, 2017 of Lakeshore Watersports Company Limited)

**To the Members of Lakeshore Watersports Company Limited**

We have audited the internal financial controls over financial reporting of Lakeshore Watersports Company Limited ("the Company"), as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

The Financial Statements comprising Balance Sheet, Statement of profit and Loss, Statement of changes in Equity, Cash Flow Statement, together with notes for the year ended March 31, 2017 have been prepared in accordance with Ind AS as notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016

**2 Basis of Preparation of Financial Statements**

The financial statements are prepared in accordance with Indian Accounting Standard (Ind AS) under the historical cost convention on the accrual basis, the provision of Companies Act, 2013 (to the extent notified). The Ind AS prescribed under section 133 of the Act read with rules 4 of the Companies (Indian Accounting Standard) Rules, 2015 and Companies (India Accounting Standard) Amendment Rules 2016.

The Company has adopted all Ind AS standards and adoption has been carried out in accordance with Ind AS101, First Time Adoption of Indian Accounting Standard. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Sec 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP. Reconciliations and descriptions of the effect of the transition has been summarized in Note 2.32, 2.33 & 2.34.

**3 Basis of measurement**

The financial statements have been prepared on a historical cost convention and on an accrual basis, except for the following material items that have been measured at fair value as required by relevant Ind AS:

- i. Certain financial assets and liabilities measured at fair value (refer accounting policy on financial instruments);
- ii. Defined benefit and other long-term employee benefits.

**4 Functional and Presentation Currency**

Items included in financial statement of the Company are measured using the currency of the primary economic environment in which the Company operates ("the functional currency"). Indian rupee is the functional currency of the Company.

The financial statements are presented in Indian Rupees (₹) which is the Company's presentation currency. All financial information presented in Indian Rupees has been rounded up to the nearest lakhs except where otherwise indicated.

**5 First-time adoption of Ind AS**

The financial statement for the year ended March 31, 2017 are the first financial statement prepared by the company in accordance with Ind As.

For the periods up to and inclusive of year ended March 31, 2016, the Company prepared its financial statements in accordance with accounting standards specified in section 133 of companies Act 2013 read together with rule 7 of Companies (Accounting Standards) Rules 2014 (Previous GAAP). Reconciliation and description of the effect of transition from previous GAAP to Ind AS on equity, Profit and cash flows are provided in Note No. 2.32, 2.33 & 2.34. The Balance Sheet as on the date of transition has been prepared in accordance with Ind AS 101 first- time Adoption of Indian Accounting Standards.

Ind AS 101 requires that all Ind AS for the first Ind AS Financial Statements, be applied consistently and retrospectively for all fiscal years presented. However this standard provides some exceptions and exemptions to the general this general requirement in specific cases. The application of these exceptions and exemptions are as discussed below:

**6 (a) Exceptions to retrospective application of other Ind AS**

**i. Estimates:**

An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is an objective evidence that those estimates were in error. The Company has not made any changes to estimates made in accordance with Previous GAAP.

**ii. Ind AS 109 – Financial Instruments (Classification and measurement of financial assets) :**

Classification and measurement of financial assets shall be made on the basis of the facts and circumstances that exist at the date of transition to Ind AS. The Company has evaluated the facts and circumstances existing on the date of transition to Ind AS for the purpose of classification and measurement of financial assets and accordingly has classified and measured financial assets on the date of transition.

**6 (b) Exemptions from retrospective application of Ind AS**

**i. Ind AS 16 Property, Plant and Equipment/ Ind AS 38 Intangible assets :**

An entity may elect to measure an item of property, plant and equipment and Intangible asset at the date of transition to Ind AS at its fair value and use that fair value as deemed cost at that date or may measure the items of Property, plant and equipment, Intangibles by applying Ind AS retrospectively or use the carrying amount under Previous GAAP on the date of transition as deemed cost. The Company has elected to continue with the carrying amount for all of its property, plant and equipment , Intangible assets measured as per Previous GAAP and use that as its deemed cost as at the date of transition.

**Decommissioning liabilities included in the cost of property, Plant and Equipment:**

Appendix A to Ind AS 16 on Changes in Existing, Decommissioning, Restoration and Similar Liabilities requires specified changes in a decommissioning, restoration or similar liability to be added to or deducted from the cost of the asset to which it relates. The adjusted depreciable amount of the asset is then depreciated prospectively over its remaining useful life. A first time adopter need not comply with these requirements for changes in such liabilities that occurred before the date of transition to Ind AS. The Company has not adjusted changes in liabilities to the cost of assets retrospectively.

**ii. Ind AS 17 Leases :**

An entity shall determine based on facts and circumstances existing at the date of transition to Ind AS whether an arrangement contains a Lease and when a lease includes both land and building elements, an entity shall assess the classification of each element as finance or operating lease. The Company has used this exemption and assessed all arrangements based on conditions existing as at the date of transition.

**7 Use of Estimates**

The preparations of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, the disclosures of contingent assets and contingent liabilities, at the time of financial statements, income and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in future periods which are affected.

Application of accounting policies that require critical accounting estimates and assumption having the most significant effect on the amounts recognised in the financial statements are :

- Useful lives of property, plant and equipment
- Measurement of defined employee benefit obligations
- Provisions
- Utilisation of Tax Losses

**8 Property, Plant and Equipment**

Property, Plant and Equipment are stated at cost less accumulated depreciation and impairment losses if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of fixed assets which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

Depreciation on tangible assets is provided on reducing balance method over the estimated useful lives of the assets on pro-rata basis. The estimated useful lives are as below,

- Building : 10 years
- Plant & Machinery : 20 years
- Computers : 6 years
- Office Equipment : 20 years
- Furniture & Fixtures : 15 years

For the above classes of assets, based on internal assessment, Management believes that the useful life as given above represents the period over which it expects to use these assets. Hence the useful lives of these assets are different from the useful lives as prescribed under Part C of Schedule II of Companies Act, 2013.

**9 Intangible Assets**

Intangible assets are valued at cost less accumulated amortisation and impairment loss if any. Intangible assets are amortized over their respective individual estimated useful lives on straight line basis.

## 10 Financial Instruments

### a. Financial Assets

Financial assets comprises of investments in the equity and debt securities, trade receivables cash and cash equivalents and other financial assets.

#### Initial recognition:

All financial assets are recognised initially at fair value plus in case of financial assets not are recorded fair value through profit or loss, transaction cost are attributable to the acquisition of financial assets purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the assets.

#### Subsequent measurement:

##### i. Financial assets measured at amortized cost:

Financial assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and contractual terms of financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortised cost using effective interest rate (EIR) method. The EIR amortisation is recognised at finance income in Statement of Profit and Loss.

The Company while applying above criteria has classified the following at Amortised cost

- a) Trade receivable
- b) Other Financial Assets

##### ii. Financial assets at Fair Value through other comprehensive income (FVTOCI):

Financial assets that are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial assets give rise on specific dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are subsequently measured at FVTOCI. Fair value movements in financial assets at FVTOCI are recognised in other comprehensive income.

##### iii. Financial asset are measured at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit or loss if it does not meet the criteria for classification as measured at amortised cost or at fair value through other comprehensive income. All fair value changes are recognised in the Statement of Profit and Loss.

#### De recognition of financial assets

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire or the financial asset is transferred and the transfer qualifies for de recognition. On de recognition of a financial asset in its entirety, the difference between the carrying amount (measured at the date of de recognition) and the consideration received (including any new asset obtained less any new liability assumed) shall be recognised in the Statement of Profit and Loss.

#### Impairment of financial assets

Trade receivables, contract assets under Ind AS 109 are tested for impairment based on the expected credit losses for respective financial asset.

##### I. Trade Receivables

An impairment analysis is performed at each reporting date. The expected credit losses over lifetime of the asset are estimated by adopting the simplified approach using a provision matrix which is based on historical loss rates reflecting current condition and forecast of future economic conditions. In this approach assets are grouped on the basis of similar credit characteristics such as industry, customer segment, past due status and other factors which are relevant to estimate the expected cash loss from these assets.

##### II. Other financial assets

Other financial assets are tested for impairment based on significant change in credit risk since initial recognition and impairment is measured based on probability of default over the lifetime when there is a significant increase in credit risk.

## **b. Financial liabilities**

### **Initial Recognition and Measurement:**

Financial liabilities are initially recognised at fair value plus any transaction cost that are attributable to the acquisition of the financial liabilities except financial liabilities at fair value through profit or loss which are initially measured at fair value.

### **Subsequent Measurement:**

The financial liabilities are classified for subsequent measurement into following categories-

- At amortised cost
- At fair value through profit or loss

#### **i. Financial liabilities at amortised cost**

The companies classifying the following under amortised cost:

- a) Trade payables
- b) Other financial liabilities

Amortised cost for financial liabilities represents amount at which financial liability is measured at initial recognition minus the principal repayments, plus or minus the cumulative amortisation using the effective interest method of any difference between that initial amount and the maturity amount.

#### **ii. Financial liabilities at fair value through profit or loss**

Financial liabilities held for trading are measured at FVTPL.

### **De recognition of financial liabilities**

A financial liability shall be de recognised when, and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expires.

### **c. Offsetting of financial assets and financial liabilities -**

Financial assets and liabilities are offset and the net amount is presented in Balance Sheet when, and only when, the Company has a legal right to offset the recognised amounts and intends either to settle on a net basis or to realize the assets and settle the liability simultaneously.

### **d. Reclassification of Financial Assets -**

The company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no re classification is made for financial assets which are categorised as equity instruments at FVTOCI and financial assets of liabilities that are specifically designated at FVTPL. For Financial Assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be very in frequent. The management determines change in the business model as a result of external or internal changes which are significant to the company's operations. A change in the business model occurs when the company either begins or ceases to perform an activity that is significant to its operations. If the company reclassifies the financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

## **11 Impairment**

The Company makes assessment of any indicator that may lead to impairment of the Assets on an annual basis. An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value, which is higher of net selling price and the value in use. Impairment loss, if any, is charged to profit and loss account in the year in which it is identified as impaired.

## **12 Taxes on Income**

The tax expense comprises of current tax & deferred tax charged or credited to the Statement of Profit and Loss for the year. Current tax is calculated in accordance with the tax laws applicable to the current financial year. The deferred tax charge or credit is recognised using the tax rates and tax laws that have been enacted by the balance sheet date. Where there are unabsorbed depreciation or carry forward losses, deferred tax assets are recognised only if there is virtual certainty of realisation of such assets. Other deferred tax assets are recognised only to the extent there is reasonable certainty of realisation in future. At each balance sheet date, recognised and unrecognised deferred tax assets are reviewed

## **13 Revenue Recognition**

- i) Revenue is recognised as and when services are rendered.
- ii) Interest income is recognised on time proportionate at basis

#### 14 Employee Benefits

##### i) Defined Contribution Plans

Company's Contributions paid/payable during the year to Provident Fund and Labour Welfare Fund are recognized in the Profit and Loss Account.

##### ii) Defined Benefit Plan & Other long term benefits

Company's liabilities towards gratuity and leave encashment are determined using the projected unit credit method which considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Actuarial gain and losses are recognized immediately in the statement of Profit and Loss Account as income or expenses. Obligation is measured at the present value of estimated future cash flows using a discounted rate that determined by reference to market yields at the Balance Sheet date on Government bonds where the currency and terms of the Government bonds are consistent with the currency and estimated terms of the defined benefit obligation.

Short-term employee benefits such as salaries, wages, short term compensated absences, performance incentives etc. and expected cost of bonus are recognised as expenses at the undiscounted amounts in the Statement of Profit and Loss of the year in which the related service is rendered.

#### 15 Borrowing Costs

Borrowing costs (less any income on the temporary investments of those borrowings) attributable to qualifying assets are capitalised. Other borrowing costs are charged to profit and Loss account.

#### 16 Contingencies / Provisions

A provisions are recognised when the Company has a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Contingent liabilities are not provided for unless a reliable estimate of probable outflow to the Company exists as at the Balance Sheet date. Contingent assets are neither recognised nor disclosed in the financial statements.

#### 17 Earning Per Share

Basic earning per share is calculated by dividing the net profit or loss for the year attributable to the equity shareholders (after deducting preference dividends and attributable taxes, if any) by the weighted average number of shares outstanding during the year. For the purpose of calculating diluted earning per share, net profit & loss for the year attributable to equity shareholders and weighted number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

#### 18 Foreign Currency Transactions

Foreign currency transactions during the year are accounted at the prevailing rate on the date of transaction. Current assets and current liabilities are translated at the exchange rate prevailing on the last day of the year. Gains or losses arising out of remittance/ translations at the year end are credited/ debited to the profit and loss account for the year.

#### 19 Lease

Where the Company is the lessee and the lessor effectively retains substantially all the risks and benefits of ownership of the leased term, are classified as operating leases. Operating lease payments are recognized as an expense in the Profit and Loss account on a straight-line basis over the lease term.

#### 20 Segmental Reporting

The Company's operation is considered under one segment "Adventure Sports" for internal reporting. Therefore, the Company's business does not fall under different operational segments as defined by Ind AS 108 - "Operating Segments" referred to in Section 133 of the Companies Act, 2013.

#### C Recent accounting pronouncements

##### 1 Standards issued but not yet effective

In March 2017, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2017, notifying amendments to Ind AS 7, 'Statement of cash flows' and Ind AS 102, 'Share-based payment.' These amendments are in accordance with the recent amendments made by International Accounting Standards Board (IASB) to IAS 7, 'Statement of cash flows' and IFRS 2, 'Share-based payment,' respectively. The amendments are applicable to the Company from 1 April 2017.

##### 2 Amendment to Ind AS 7

The amendment to Ind AS 7 requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities, to meet the disclosure requirement. The Company is evaluating the requirements of the amendment and the effect on the financial statements is being evaluated.
