Notes:

- 1 The standalone unaudited financial results ('results') of Hindustan Construction Company Limited and its joint operations (together referred to as the 'Company') for the quarter and six month ended September 30, 2025 ('the Statement') have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard prescribed under Section 133 of the Companies Act, 2013 ('the Act') and other recognized accounting practices generally accepted in India. The aforesaid results are in compliance with regulation 33 and Regulation 52 read with Regulation 63 of SEBI (Listing Obligation and Disclosure Requirement) Regulation, 2015 as amended ('the Listing Regulations'). The material accounting policies applied in preparation of these results are consistent with those followed in the annual standalone financial statements for the year ended March 31, 2025. These results have been reviewed by the Audit Committee and subsequently approved by the Board of Directors of the Company at its meeting held on November 6, 2025. These results have been subject to limited review by statutory auditors.
- 2 The Company is engaged in the business of "Engineering and Construction". The Company's chief operating decision makers monitor and review the operating result of the Company as a whole. Therefore, there are no other reportable segments for the Company as per requirements of Ind AS 108, Operating Segment.
- 3 The Company's business is substantially seasonal in character and as a result, margins in the quarterly results vary, including due to the nature of its business and consequent to receipt of awards/claims or events which may lead to revision in cost to completion. Accordingly, the quarterly results may not be strictly comparable.
- 4 The total balance value of work on hand as at September 30, 2025 is ₹ 13,152.00 crore (March 31, 2025: ₹ 11,852.00 crore).
- 5 Unbilled work-in-progress (contract assets), current trade receivables and non-current trade receivables outstanding as on September 30, 2025, includes ₹ 245.82 crore, ₹ 207.89 crore and ₹ 57.52 crore, respectively (March 31, 2025: includes ₹ 308.59 crore, ₹ 214.27 crore and ₹ 57.52 crore, respectively), representing receivables from customers based on the terms and conditions implicit in the contracts and other receivables in respect of closed/substantially closed projects. These receivables are mainly in respect of the cost over-run arising due to client caused delays, deviation in design and change in scope of work, for which the Company is at various stages of negotiation/discussion with the clients or under arbitration/litigation. Considering the contractual tenability, progress of negotiations/discussions/arbitration/litigations and as legally advised in certain contentious matters, the Company is confident that these receivables are good and fully recoverable.
- 6 As at September 30, 2025, the Company has an investment (including deemed investments) in its wholly owned subsidiary, HCC Infrastructure Company Limited ('HICL') amounting to ₹ 1,159.48 crore (March 31, 2025: ₹ 1,294.33 crore). While the consolidated net worth of HICL as at March 31, 2025 has been substantially eroded, the management has assessed the fair value of HICL based on a valuation report from an independent valuation expert at year ended March 31, 2025. The valuation includes significant judgements and estimates in respect of future business plans, outcome of litigations for favourable arbitration awards and expected share of future revenues of erstwhile subsidiaries. Accordingly, based on the aforementioned valuation report, management believes that the recoverable amount of investment in HICL is higher than it carrying value. Statutory auditors report is modified in respect of this matter.
- 7 As at September 30, 2025, the Company has net deferred tax assets amounting to ₹ 189.35 crore (March 31, 2025: ₹ 204.90 crore), which mainly represents deferred tax assets on carried forward unused tax losses and other taxable temporary differences. The Company is confident of generating sufficient taxable profits from the unexecuted orders on hand/future projects and expected realisation of claims/arbitration awards against which such deferred tax assets can be utilised and therefore considered good and recoverable. Statutory auditors' report is modified in respect of this matter.
- Figures for the previous period/year have been regrouped/reclassified to conform to the current period's presentation, wherever considered necessary. The impact of such regroupings/reclassifications is not material to these standalone unaudited financial results.

To the Board of Directors of Hindustan Construction Company Limited

- 1. We have reviewed the accompanying statement of consolidated unaudited financial results of Hindustan Construction Company Limited and its joint operations ('the "Parent" or the "Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as the "Group"), and its joint venture and associate its share of the net profit after tax and total comprehensive income, for the quarter and half year ended September 30, 2025 (the "Statement"), being submitted by the Parent pursuant to the requirements of Regulation 33 and Regulation 52 read with Regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('Listing Regulations').
- 2. This Statement, which is the responsibility of the Parent's management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India ('ICAI'). A review of interim financial information consists of making inquiries, primarily of Parent's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of Listing Regulations, as amended, to the extent applicable.

4. The Statement includes the results of the following entities:

Notes:

- The consolidated unaudited financial results ('results') of Hindustan Construction Company Limited and its joint operations (together referred to as the 'Holding Company' or 'HCC') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group') and associates and joint venture for the quarter and six month ended September 30, 2025 ('the Statement') have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard prescribed under Section 133 of the Companies Act, 2013 ('the Act') and other recognized accounting practices generally accepted in India. The aforesaid results are in compliance with regulation 33 and Regulation 52 read with Regulation 63 of SEBI (Listing Obligation and Disclosure Requirement) Regulation, 2015 as amended ('the Listing Regulations'). The material accounting policies applied in preparation of these results are consistent with those followed in the annual Consolidated financial statements for the year ended March 31, 2025. These results have been reviewed by the Audit Committee and subsequently approved by the Board of Directors of the Holding Company at its meeting held on November 6, 2025. These results have been subject to limited review by statutory auditors.
- 2 Unbilled work-in-progress (contract assets), current trade receivables and non-current trade receivables outstanding as on September 30, 2025, includes ₹ 245.82 crore, ₹ 207.89 crore and ₹ 57.52 crore, respectively (March 31, 2025: includes ₹ 308.59 crore, ₹ 214.27 crore and ₹ 57.52 crore, respectively), representing receivables from customers based on the terms and conditions implicit in the contracts and other receivables in respect of closed/substantially closed projects. These receivables are mainly in respect of the cost over-run arising due to client caused delays, deviation in design and change in scope of work, for which Holding Company is at various stages of negotiation/discussion with the clients or under arbitration/litigation. Considering the contractual tenability, progress of negotiations/discussions/arbitration/litigations and as legally advised in certain contentious matters, the Holding Company is confident that these receivables are good and fully recoverable.
- 3 Exceptional items represent:
 - a. During the year ended March 31, 2025, pursuant to moratorium, the Zurich District Court has passed an Order approving a scheme of arrangement in respect of Steiner AG ('SAG'), Switzerland, (including its subsidiaries), a material step down wholly owned subsidiary of the Holding Company. This scheme which is approved by the Court based on recommendation of Administrator covers a) Divestment of entire shareholding of SAG held by HCC Mauritius Investment Limited and HCC Mauritius Enterprises Limited, (collectively, 'HMILEL'), the wholly owned subsidiaries of the Holding Company to Uniresolv SA, an affiliate of m3 Geneva ('Uniresolv SA') and, b) Divestment of entire shareholding of Steiner Development AG ('SDAG') by SAG to m3 Steiner Development SA, an affiliate of m3 Geneva ('m3SD') c) Divestment of Steiner India Limited ('SIL'), by SAG to Uniresolv SA, d) Asset transfer (receivables) to SAG's wholly owned subsidiary, Steiner Eagle AG ('SEAG') and the immediate subsequent sale of SEAG to Uniresolv SA. Further, pursuant to the aforesaid Court Order, HMILEL has acquired the entire equity shareholding in SEAG from Uniresolv SA, against a swap of SAG shares and deferred consideration of 5 million CHF. Accordingly, SAG and its subsidiaries, joint ventures and associates ceased to part of the Company and SEAG became direct subsidiary of HMILEL and Holding Company has recognised gain on deconsolidation amounting to ₹ 216.90 crore during year ended March 31, 2025.
 - b. HCC Operations and Maintenance Limited ('HOML'), a step-down subsidiary of the Holding Company, had signed a Debenture Sale Purchase Agreement in September 2017 with certain debenture holders for purchase of debentures issued by Lavasa Corporation Limited ('LCL'), in the event of any default for an aggregate consideration of ₹ 138.00 crore along with interest at 10.27% p.a. Pursuant to the initiation of insolvency proceedings by National Company Law Tribunal, HOML in earlier years had assumed the liability (including interest) towards the debenture holders. During the year ended March 31, 2025 HOML entered into a one-time settlement with the debenture holders resulting in a gain of ₹ 312.75 crore which has been presented as an exceptional item. The above dues have been settled, and no due certificate has also been obtained from the debenture holders.
- 4 As at September 30, 2025, the Holding Company has net deferred tax assets amounting to ₹ 189.35 crore (March 31, 2025: ₹ 204.90 crore), which mainly represents deferred tax assets on carried forward unused tax losses and other taxable temporary differences. The Holding Company is confident of generating sufficient taxable profits from the unexecuted orders on hand/future projects and expected realisation of claims/arbitration awards against which such deferred tax assets can be utilised and therefore considered good and recoverable. Statutory auditors' report is modified in respect of this matter.
- 5 During the quarter ended September 30, 2025, pursuant to Scheme of Amalgamation, the National Company Law Tribunal, Mumbai has approved the merger of HCC Operations and Maintenance Limited (HOML), a step-down subsidiary of the Holding Company with Badarpur Faridabad Tollway Limited (BFTL), another step-down subsidiary of the Holding Company with the appointed date as April 1, 2024. HOML and BFTL both being a step-down subsidiaries of the Holding Company, there is no impact on above financial results.
- 6 Figures for the current quarter and half year ended September 30, 2025 are not comparable with figures of previous year quarter ended September 30, 2024 due to divestment of Steiner AG during previous year ended March 31, 2025.
- 7 Figures for the previous period/year have been regrouped/reclassified to conform to the current period's presentation, wherever considered necessary. The impact of such regroupings/reclassifications is not material to these consolidated unaudited financial results.
