**Notes:**

- 1 The standalone unaudited financial results ('results') of Hindustan Construction Company Limited and its joint operations (together referred to as the 'Company') for the quarter and nine months ended December 31, 2025 ('the Statement') have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard prescribed under Section 133 of the Companies Act, 2013 ('the Act') and other recognized accounting practices generally accepted in India. The aforesaid results are in compliance with regulation 33 and Regulation 52 read with Regulation 63 of SEBI (Listing Obligation and Disclosure Requirement) Regulation, 2015 as amended ('the Listing Regulations'). The material accounting policies applied in preparation of these results are consistent with those followed in the annual standalone financial statements for the year ended March 31, 2025. These results have been reviewed by the Audit Committee and subsequently approved by the Board of Directors of the Company at its meeting held on February 12, 2026. These results have been subjected to limited review by statutory auditor.
- 2 The Company's is engaged in the business of "Engineering and Construction". There are no other reportable segments for the Company as per requirements of Ind AS 108 'Operating Segment'.
- 3 The Company's business is seasonal in character and as a result, margins in the quarterly results vary, including due to the nature of its business and consequent to receipt of awards/claims or events which may lead to revision in cost to completion. Accordingly, the quarterly results may not be strictly comparable.
- 4 The total balance value of work on hand as at December 31, 2025 is ₹ 13,148.00 crore (March 31, 2025: ₹ 11,852.00 crore).
- 5 During the current quarter, the Company has issued and allotted 799,991,900 equity shares of ₹ 1 each at a price of ₹ 12.50 per equity share (including a premium of ₹ 11.50 per equity share) aggregating ₹ 999.99 crore to the eligible equity shareholders on a right basis in the ratio of 227 equity shares for every 630 equity shares held. Pursuant to the aforesaid, basic and diluted earnings per share for the year ended March 31, 2025, quarter ended September 30, 2025 and quarter and nine months ended December 31, 2024 have been retrospectively adjusted for effect of rights issue.
- 6 Unbilled work-in-progress (contract assets), current trade receivables and non-current trade receivables outstanding as on December 31, 2025, includes ₹ 154.10 crore, ₹ 207.89 crore and ₹ 57.52 crore, respectively (March 31, 2025: includes ₹ 308.59 crore, ₹ 214.27 crore and ₹ 57.52 crore, respectively), representing receivables from customers based on the terms and conditions implicit in the contracts and other receivables in respect of closed/substantially closed projects. These receivables are mainly in respect of the cost over-run arising due to client caused delays, deviation in design and change in scope of work, for which the Company is at various stages of negotiation/discussion with the clients or under arbitration/ litigation. Considering the contractual tenability, progress of negotiations/discussions/arbitration/litigations and as legally advised in certain contentious matters, the Company is confident that these receivables are good and fully recoverable.
- 7 As at December 31, 2025, the Company has an investment (including deemed investments) in its wholly owned subsidiary, HCC Infrastructure Company Limited ('HICL') amounting to ₹ 1,159.48 crore (March 31, 2025: ₹ 1,294.33 crore). While the consolidated net worth of HICL as at March 31, 2025 has been substantially eroded, the management has assessed the fair value of HICL based on a valuation report from an independent valuation expert at year ended March 31, 2025. The valuation includes significant judgements and estimates in respect of future business plans, outcome of litigations for favourable arbitration awards and expected share of future revenues of erstwhile subsidiaries. Accordingly, based on the aforementioned valuation report, management believes that the recoverable amount of investment in HICL is higher than its carrying value. Statutory auditors report is modified in respect of this matter.
- 8 As at December 31, 2025, the Company has net deferred tax assets amounting to ₹ 198.19 crore (March 31, 2025: ₹ 204.90 crore), which mainly represents deferred tax assets on carried forward unused tax losses/unabsorbed depreciation and other taxable temporary differences. The Company is confident of generating sufficient taxable profits from the unexecuted orders on hand/future projects and expected realisation of claims/arbitration awards against which such deferred tax assets can be utilised and therefore considered good and recoverable. Statutory auditors report is modified in respect of this matter.
- 9 Exceptional items represent:
  - a) Effective November 21, 2025, the Government of India consolidated 29 existing labour regulations into four Labour codes, namely, The Code on Wages, 2019, The Industrial Relations Code, 2020, The Code on Social Security, 2020 and the Occupational Safety, Health and Working Conditions Code, 2020, collectively referred to as the 'New Labour Codes'. In accordance with the requirements of Ind AS 19 'Employee Benefits', these changes have resulted in an estimated increase in the past service cost of gratuity and compensated absence by ₹ 11.28 crore. Considering that the enactment of the new legislation is a non-recurring event, the Company has presented this one-time charge under 'Exceptional Item' for the quarter and nine months ended December 31, 2025. The Company continues to monitor the finalisation of the Central and State Rules and clarifications from the Government on the New Labour Codes and shall provide appropriate accounting effect based on such developments, as necessary.
  - b) In prior years, pursuant to a resolution plan agreed with its lenders, the Company transferred certain debt obligations to Prolific Resolution Private Limited ('PRPL'). PRPL, in turn, issued and allotted non-convertible debentures aggregating to ₹ 2,854.40 crore to its lenders. The Company has provided a corporate guarantee covering 100% of PRPL's debt obligations to these lenders. During the current quarter, following receipt of requisite approvals from PRPL's lenders, its Board of Directors, and other relevant stakeholders, the corporate guarantee was reduced from 100% of the outstanding debt to ₹ 570.88 crore, equivalent to 20% of the principal debt amount. Consequently, the Company has written back ₹ 49.09 crore from the liability earlier recognized in respect of the corporate guarantee, in accordance with the requirements of Ind AS 109 'Financial Instruments' and the same has been shown as gain under "Exceptional items" for the quarter and nine months ended December 31, 2025.
- 10 Figures for the previous period/year have been regrouped/reclassified to conform to the current period's presentation, wherever considered necessary. The impact of such regroupings/reclassifications is not material to these standalone unaudited financial results.

**Notes:**

- 1 The consolidated unaudited financial results ('results') of Hindustan Construction Company Limited and its joint operations (together referred to as the 'Holding Company' or 'HCC') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group') and associates and joint venture for the quarter and nine months ended December 31, 2025 ('the Statement') have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard prescribed under Section 133 of the Companies Act, 2013 ('the Act') and other recognized accounting practices generally accepted in India. The aforesaid results are in compliance with regulation 33 and Regulation 52 read with Regulation 63 of SEBI (Listing Obligation and Disclosure Requirement) Regulation, 2015 as amended ('the Listing Regulations'). The material accounting policies applied in preparation of these results are consistent with those followed in the annual Consolidated financial statements for the year ended March 31, 2025. These results have been reviewed by the Audit Committee and subsequently approved by the Board of Directors of the Holding Company at its meeting held on February 12, 2026. These results have been subject to limited review by statutory auditors.
- 2 During the current quarter, the Holding Company has issued and allotted 799,991,900 equity shares of ₹ 1 each at a price of ₹ 12.50 per equity share (including a premium of ₹ 11.50 per equity share) aggregating ₹ 999.99 crore to the eligible equity shareholders on a right basis in the ratio of 227 equity shares for every 630 equity shares held. Pursuant to the aforesaid, basic and diluted earnings per share for the year ended March 31, 2025, quarter ended September 30, 2025 and quarter & nine months ended December 31, 2024 have been retrospectively adjusted for effect of rights issue.
- 3 Unbilled work-in-progress (contract assets), current trade receivables and non-current trade receivables outstanding as on December 31, 2025, includes ₹ 154.10 crore, ₹ 207.89 crore and ₹ 57.52 crore, respectively (March 31, 2025: includes ₹ 308.59 crore, ₹ 214.27 crore and ₹ 57.52 crore, respectively), representing receivables from customers based on the terms and conditions implicit in the contracts and other receivables in respect of closed/substantially closed projects. These receivables are mainly in respect of the cost over-run arising due to client caused delays, deviation in design and change in scope of work, for which Holding Company is at various stages of negotiation/discussion with the clients or under arbitration/litigation. Considering the contractual tenability, progress of negotiations/discussions/arbitration/litigations and as legally advised in certain contentious matters, the Holding Company is confident that these receivables are good and fully recoverable.
- 4 Exceptional items represent:
  - a) Effective November 21, 2025, the Government of India consolidated 29 existing labour regulations into four Labour codes, namely, The Code on Wages, 2019, The Industrial Relations Code, 2020, The Code on Social Security, 2020 and the Occupational Safety, Health and Working Conditions Code, 2020, collectively referred to as the 'New Labour Codes'. In accordance with the requirements of Ind AS 19 'Employee Benefits', these changes have resulted in an estimated increase in the past service cost of gratuity and compensated absence by ₹ 11.28 crore. Considering that the enactment of the new legislation is a non-recurring event, the Group has presented this one-time charge under 'Exceptional Item' for the quarter and nine months ended December 31, 2025. The Group continues to monitor the finalisation of the Central and State Rules and clarifications from the Government on the New Labour Codes and shall provide appropriate accounting effect based on such developments, as necessary.
  - b) In prior years, pursuant to a resolution plan agreed with its lenders, the Holding Company transferred certain debt obligations to Prolific Resolution Private Limited ('PRPL'). PRPL, in turn, issued and allotted non-convertible debentures aggregating to ₹ 2,854.40 crore to its lenders. The Holding Company has provided a corporate guarantee covering 100% of PRPL's debt obligations to these lenders. During the current quarter, following receipt of requisite approvals from PRPL's lenders, its Board of Directors, and other relevant stakeholders, the corporate guarantee was reduced from 100% of the outstanding debt to ₹ 570.88 crore, equivalent to 20% of the principal debt amount. Consequently, the Holding Company has written back ₹ 49.09 crore from the liability earlier recognized in respect of the corporate guarantee, in accordance with the requirements of Ind AS 109 'Financial Instruments' and the same has been shown as gain under "Exceptional items" for the quarter and nine months ended December 31, 2025.
  - c) During the quarter and nine months ended December 31, 2024, pursuant to moratorium, the Zurich District Court has passed an Order approving a scheme of arrangement in respect of Steiner AG ('SAG'), Switzerland, (including its subsidiaries), a material step down wholly owned subsidiary of the Holding Company. This scheme which is approved by the Court based on recommendation of Administrator covers a) Divestment of entire shareholding of SAG held by HCC Mauritius Investment Limited and HCC Mauritius Enterprises Limited, (collectively, 'HMILEL'), the wholly owned subsidiaries of the Holding Company to Uniresolv SA, an affiliate of m3 Geneva ('Uniresolv SA') and, b) Divestment of entire shareholding of Steiner Development AG ('SDAG') by SAG to m3 Steiner Development SA, an affiliate of m3 Geneva ('m3SD') c) Divestment of Steiner India Limited ('SIL'), by SAG to Uniresolv SA, d) Asset transfer (receivables) to SAG's wholly owned subsidiary, Steiner Eagle AG ('SEAG') and the immediate subsequent sale of SEAG to Uniresolv SA. Further, pursuant to the aforesaid Court Order, HMILEL has acquired the entire equity shareholding in SEAG from Uniresolv SA, against a swap of SAG shares and deferred consideration of 5 million CHF. Accordingly, SAG and its subsidiaries, joint ventures and associates ceased to part of the Company and SEAG became direct subsidiary of HMILEL and Holding Company had recognised gain on deconsolidation amounting to ₹ 216.90 crore during quarter and nine months ended December 31, 2024.
  - d) HCC Operations and Maintenance Limited ('HOML'), a step-down subsidiary of the Holding Company, had signed a Debenture Sale Purchase Agreement in September 2017 with certain debenture holders for purchase of debentures issued by Lavasa Corporation Limited ('LCL'), in the event of any default for an aggregate consideration of ₹ 138.00 crore along with interest at 10.27% p.a. Pursuant to the initiation of insolvency proceedings by National Company Law Tribunal, HOML in earlier years had assumed the liability (including interest) towards the debenture holders. During the previous year, HOML entered into a one-time settlement with the debenture holders resulting in a gain of ₹ 312.75 crore which was presented as an exceptional item during quarter and nine months ended December 31, 2024. The above dues have been settled, and no due certificate has also been obtained from the debenture holders.
- 5 As at December 31, 2025, the Holding Company has net deferred tax assets amounting to ₹ 198.19 crore (March 31, 2025: ₹ 204.90 crore), which mainly represents deferred tax assets on carried forward unused tax losses/unabsorbed depreciation and other taxable temporary differences. The Holding Company is confident of generating sufficient taxable profits from the unexecuted orders on hand/future projects and expected realisation of claims/arbitration awards against which such deferred tax assets can be utilised and therefore considered good and recoverable. Statutory auditors report is modified in respect of this matter.
- 6 Figures for the current quarter and nine months ended December 31, 2025 are not comparable with figures of previous year, quarter and nine months ended December 31, 2024 due to divestment of Steiner AG during previous nine months ended December 31, 2024.
- 7 Figures for the previous period/year have been regrouped/reclassified to conform to the current period's presentation, wherever considered necessary. The impact of such regroupings/reclassifications is not material to these consolidated unaudited financial results.
