

FINANCIAL STATEMENT  
2019-20

**NARMADA BRIDGE TOLLWAY LIMITED**

## INDEPENDENT AUDITOR'S REPORT

To the Members of  
**NARMADA BRIDGE TOLLWAY LIMITED**

**Report on the Audit of the Standalone Ind AS Financial Statements****Opinion**

We have audited the accompanying Standalone Ind AS financial statements of **Narmada Bridge Tollway Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2020 and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the Standalone Ind AS financial statements, including a summary of significant accounting policies and other explanatory information for the year ended on that date.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and its profit, changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Emphasis of Matter**

We draw attention to note no. 21 of the financial statements, in the terms of MOU with NHAI dated 17.07.2013, Concession Agreement dated 23.07.2012 between NHAI and the Company stands foreclosed with mutual consent and the Company has consequently written off entire intangible asset under development during the year 2013-2014. The Company is financially supported by holding Company and will be supported in future also to discharge its obligations.

Further, The Company received an Arbitration Award in its favor for an amount of Rs.39.19 Cr including interest till 03.09.2018 against the claims filed by the Company and counter claims filed by the NHAI. NHAI has challenged the Award under Sec-34 of Arbitration Act and as directed by Court NHAI has deposited 2/3rd Amount on 05.04.2019.

As per request of NHAI the matter was referred to amicable settlement to Conciliation Committee of Independent Experts (CCIE). Meeting was held with CCIE on 26.12.2019, 10.01.2020 and 19.02.2020,

wherein CCIE suggested both parties negotiate and agree on settlement number. Accordingly, both the parties have entered into a Settlement Agreement on 04.03.2020 wherein NHAi has agreed to pay Rs. 30 Cr to the Company as full and final settlement against all claims and counterclaims related to the Project. It has also been agreed between the Parties that both the parties will represent to Court to release Rs.26.13 Cr deposited by NHAi in the Court to the Company along with interest, and that balance amount shall be released by NHAi to the Company within 7 days thereafter. Meanwhile, on account of COVID-19 Pandemic lockdown, the parties could not approach the Court for release of money to the Company, and that the same shall be done immediately upon opening of Court.

In view of the above, going concern assumption is not appropriate and financial statement have been drawn accordingly.

Our opinion is not modified in respect of this matter.

**Information other than the Ind AS Financial Statements and Auditor's Report thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibility of Management and Those Charged with Governance for the Standalone Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss, the statement of changes in equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid Standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company does not have any pending litigations which would impact its financial position except those disclosed in financial statements;
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
    - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

AR NBTL FY 2019-20 Page | 4

3. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, no remuneration has been paid by the Company to its directors during the year so the provisions of section 197 of the Act are not applicable.

**Annexure 'A' to the Independent Auditor's Report of Narmada Bridge Tollway Limited for the Year ended as on 31<sup>st</sup> March 2020**

**Annexure referred to in paragraph 1 under the heading "Report on Other Legal and Regulatory Requirements" of our report on even date:-**

- i. The Company has no fixed assets as on 31<sup>st</sup> March 2020. Therefore the paragraph 3(i) of the Order is not applicable to the Company.
- ii. As the Company is engaged in the business of infrastructure development, operations and its maintenance and there is no inventory in hand at any point of time, hence paragraph 3(ii) of the Order is not applicable to the Company.
- iii. The Company has not granted any loans, secured or unsecured to companies, firms, limited liabilities partnership or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Hence, reporting under clause (a) to (c) of Para 3(iii) are not applicable.
- iv. The Company has not entered into any transaction in respect of loans, investments, guarantee and securities, which attracts compliance to the provisions of the sections 185 and 186 of the Companies Act, 2013. Therefore the paragraph 3(iv) of the Order is not applicable to the Company.
- v. The Company has not accepted deposits and the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act and the rules framed there under are not applicable to the Company.
- vi. The Sub-section (1) of the Section 148 of the Companies Act, 2013 is not applicable to the Company, hence paragraph 3(vi) of the order is not applicable to the Company.
- vii.
  - a) According to the information and explanations given to us and on the basis of our examination of the books of accounts, the Company has been generally regular in depositing undisputed statutory dues including provident fund, employee state insurance, income tax, service tax, value added tax, cess and other statutory dues during the year with the appropriate authorities. As on 31<sup>st</sup> March 2020, there are no undisputed statutory dues payables for period exceeding for a period more than six month from the date they become payable .
  - b) According to the information and explanation given to us, there are no dues of income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues which have not been deposited on account of dispute.

AR NBTL FY 2019-20 Page | 6

- viii. The Company has not taken term loans from banks, financial institution or Government and not issued any debenture during the year, hence paragraph 3(viii) of the order is not applicable to the Company.
- ix. The Company has not raised money by way of initial public offer or further public offer and term loan, hence paragraph 3(ix) of the order is not applicable to the Company.
- x. According to the information and explanation given to us by the management which have been relied by us, there were no frauds on or by the Company noticed or reported during the period under audit.
- xi. The Company has not paid any managerial remuneration, hence paragraph 3(xi) of the order is not applicable to the Company.
- xii. The Company is not a Nidhi Company and hence clause 3 (xii) of the Order is not applicable to the Company.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, all transactions with the related parties are in compliance with sections 177 and 188 of the Companies Act, 2013 where applicable and the details of such transactions have been disclosed in the Standalone Ind AS financial statements as required by the applicable accounting standards.
- xiv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- xvi. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

**ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT**  
(Referred to in our Report of even date)

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Narmada Bridge Tollway Limited** ("the Company") as of March 31, 2020 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Ind AS financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

(All amounts are in Rs. lakhs, unless stated otherwise)

**1 Corporate information**

Narmada Bridge Tollway Limited (the company) was incorporated under the Companies Act, 1956 on 18th June, 2012 for the purpose of operations and maintenance of "six laning of Km 192.00 to Km. 198 between Vadodara - Surat section of NH-8 including construction of a new four lane Extra Dose Bridge across river Narmada (Total length 6 km) in the state of Gujarat on Design, Build, Finance, Operate and Transfer (THE "DBFOT") Toll basis under NHDP Phase-V under a Concession Agreement with National Highway Authority of India." . The Company is 100% subsidiary of HCC Concessions Limited.

**2 Summary of significant accounting policies**

**(A) Basis of preparation**

The financial statements are prepared on an accrual basis of accounting and in accordance with the Indian Accounting Standards (Ind AS) notified under the companies (Indian Accounting standards) Rules, 2015 as amended by the companies (Indian Accounting standard) Rules 2016.

In March 2018, the Ministry of Corporate Affairs has notified the Companies (Indian Accounting Standards) Amended Rules, 2018 ("amended rules"). As per the amended rules, Ind AS 115 "Revenue from contracts with customers" supersedes Ind AS 11, "Construction contracts" and Ind AS 18, "Revenue" and is applicable for all accounting periods commencing on or after 1 April 2018.

IndAS115:

Ind AS 115 introduces a new framework of five step model for the analysis of revenue transactions. The model specifies that revenue should be recognised when (or as) an entity transfers control of goods or services to a customer at the amount to which the entity expects to be entitled. The new revenue standard is applicable to the Company from 1 April 2018.

The financial statements have been prepared on a historical cost basis, except for the following :

- i certain financial assets and liabilities (including derivative instruments) and contingent consideration that is measured at fair value;
- ii assets under service concession arrangement

**(B) Current & Non Current classification**

**Current Asset :**

An asset shall be classified as current when it satisfies any of the following criteria:

- (a) it is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle
- (b) it is held primarily for the purpose of being traded
- (c) It is expected to be realized within twelve months after the reporting date, or
- (d) It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets shall be classified as non-current.

**Current Liabilities:**

A liability shall be classified as current when it satisfies any of the following criteria:

- i (a) it is expected to be settled in the company's normal operating cycle;
- ii (b) it is held primarily for the purpose of being traded;
- iii (c) it is due to be settled within twelve months after the reporting date : or
- iv (d) the company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could at the option of the counterparty, result in its settlement by the issue of equity instruments do not effect its classification.

All other liabilities shall be classified as non-current.

**Narmada Bridge Tollway Limited**

**Notes to the financial statements for the year ended 31st March 2020**

(All amounts are in Rs. lakhs, unless stated otherwise)

**(C) Property, plant and equipment:**

All items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation methods, estimated useful lives and residual value:

Depreciation is provided as per the useful lives of the assets as per schedule II of Companies Act, 2013 using Straight Line Method (SLM).

**(D) Investments and other financial assets:**

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

**(ii) Measurement:**

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

**• Amortised cost:**

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

**• Fair value through other comprehensive income (FVOCI):**

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

**• Fair value through profit or loss:**

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

**Narmada Bridge Tollway Limited**

**Notes to the financial statements for the year ended 31st March 2020**

(All amounts are in Rs. lakhs, unless stated otherwise)

**(E) Equity instruments**

(i) The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the Company's right to receive payments is established.

(ii) Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/ (losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

(iv) Derecognition of financial assets:

A financial asset is derecognised only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

**(F) Cash and cash equivalents:**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

**(i) Income Tax:**

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Minimum Alternative Tax ("MAT") credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT Credit Entitlement. The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income Tax during the specified period.

The Company does not have taxable income and hence no provision for current tax has been made.

**Narmada Bridge Tollway Limited**

**Notes to the financial statements for the year ended 31st March 2020**

(All amounts are in Rs. lakhs, unless stated otherwise)

**Deferred Tax**

Deferred Tax Asset shall be recognised for the carryforward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the unused tax losses and unused tax credits can be utilised.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

The Company is eligible for deduction under Section 80- IA of the Income Tax Act, 1961 and the concession period of the Company's project falls within the tax holiday period as defined in Section 80-IA. Since deferred tax on timing differences between Accounting income and Taxable income that arise during the year is reversing during such tax holiday period, no deferred tax asset or liability arises and accordingly no provision is made in the accounts.

**(G) Impairment of Assets:**

Intangible assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

Deferred Tax Asset shall be recognised for the carryforward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the unused tax losses and unused tax credits can be utilised.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

The Company is eligible for deduction under Section 80- IA of the Income Tax Act, 1961 and the concession period of the Company's project falls within the tax holiday period as defined in Section 80-IA. Since deferred tax on timing differences between Accounting income and Taxable income that arise during the year is reversing during such tax holiday period, no deferred tax asset or liability arises and accordingly no provision is made in the accounts.

The Company's operations constitutes a single business segment namely "Infrastructure Development" as per Ind As 108, further the Company's operation are within single geographical segment which is India.

**Narmada Bridge Tollway Limited**

**Notes to the financial statements for the year ended 31st March 2020**

(All amounts are in Rs. lakhs, unless stated otherwise)

**(I) Borrowings Cost:**

- i) General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.
- ii) Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.
- iii) Other borrowing costs are expensed in the period in which they are incurred.

**(H) Provisions and Contingent Liabilities:**

Provisions for legal claims are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions for restructuring are recognised by the Company when it has developed a detailed formal plan for restructuring and has raised a valid expectation in those affected that the Company will carry out the restructuring by starting to implement the plan or announcing its main features to those affected by it.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

The measurement of provision for restructuring includes only direct expenditures arising from the restructuring, which are both necessarily entailed by the restructuring and not associated with the ongoing activities of the Company.

**Contingent liability is disclosed in the case of:**

- a) a present obligation arising from a past event, when it is not probable that an outflow of resources will happen to settle the obligation
- b) a possible obligation, unless the probability of outflow of resources is remote.

Contingent asset are disclosed (if any), where an inflow of economic benefits are probable.

**(I) Earnings per share:**

Basic Earnings per share is calculated by dividing the net profit / (loss) after tax for the period attributable to equity shareholders of the Company by the weighted average number of equity in issue during the period. Diluted earnings per share is calculated by dividing the net profit after tax for the year attributable to equity shareholders of the Group by the weighted average number of equity shares determined by assuming conversion on exercise of conversion rights for all potential dilutive securities.

**(I) Revenue Recognition:**

Revenue is measured at the fair value of the consideration received or receivable. The Company recognizes revenue when the amount of revenue can be reliably measured; when it is probable that future economic benefits will flow to the entity; and when specific criteria have been met for each of the Company's activities, as described below.

**Others**

Insurance and other claims are recognized as revenue on certainty of receipt basis.

Dividend income is recognized when the right to receive is established. Other items of income are accounted as and when the right to receive arises and recovery is certain.

**Narmada Bridge Tollway Limited**

**Notes to the financial statements for the year ended 31st March 2020**

(All amounts are in Rs. lakhs, unless stated otherwise)

**(J) Critical accounting estimates and judgements:**

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances.

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities are disclosed below.

**(K) Applicability of service concession arrangement accounting to toll roads concessionaire arrangements**

Appendix D "Service concession arrangements" applies to "public- to-private" service concession arrangements, which can be defined as contracts under which the grantor transfers to a concession holder the right to deliver public services that give access to the main public facilities for a specified period of time in return for managing the infrastructure used to deliver those public services.

More specifically, Appendix D applies to public-to-private service concession arrangements if the grantor:

- i. Controls or regulates what services the operator must provide with the infrastructure, to whom it must provide them, and at what price; and
- ii. Controls through ownership or otherwise – any significant residual interest in the infrastructure at the end of the term of the arrangement.

In assessing the applicability the management has exercised significant judgement in relation to the underlying ownership of the assets, the ability to enter into power purchase arrangements with any customer, ability to determine prices etc. in concluding that the arrangements don't meet the criteria for recognition as service concession arrangements.

**20 Details of dues to micro and small enterprises as defined under the MSMED Act, 2006**

The enterprises dealing with company are not providing details about their coverage under the Micro, Small and Medium Enterprises Development (MSMED) Act, 2006. Hence, reporting details of Principal and Interest are not available.

21 Non Going concern assumption

In terms of MOU with NHAI dated 17.07.2013 Concession Agreement dated 23.07.2012 between NHAI and the Company stands foreclosed with mutual consent and the Company has consequently written off entire intangible asset under development during the year 2013-2014.

The Company is financially supported by holding Company and will be supported in future also to discharge its obligations.

NBTL received Arbitration Award in its favor for an amount of Rs.39.19 Cr including interest till 03.09.2018 against the claims filed by NBTL and counter claims filed by the NHAI. NHAI has challenged the Award under Sec-34 of Arbitration Act and as directed by Court NHAI has deposited 2/3rd Amount on 05.04.2019.

As per request of NHAI the matter was referred to amicable settlement to Conciliation Committee of Independent Experts (CCIE). Meeting was held with CCIE on 26.12.2019, 10.01.2020 and 19.02.2020, wherein CCIE suggested both parties negotiate and agree on settlement number. Accordingly, both the parties have entered into a Settlement Agreement on 04.03.2020 wherein NHAI has agreed to pay Rs. 30 Cr to NBTL as full and final settlement against all claims and counterclaims related to the Project. It has also been agreed between the Parties that both the parties will represent to Court to release Rs.26.13 Cr deposited by NHAI in the Court to NBTL along with interest, and that balance amount shall be released by NHAI to NBTL within 7 days thereafter. Meanwhile, on account of COVID-19 Pandemic lockdown, the parties could not approach the Court for release of money to NBTL, and that the same shall be done immediately upon opening of Court.

In view of the above , Going Concern assumption is not appropriate & the financial statement has been drawn accordingly.

22

The Government promulgated the Taxation Laws (Amendment) Ordinance 2019 [The Taxation laws (Amendment) Ordinance 2019 – No 15 of 2019 dated 20.9.2019, announcing key changes to corporate tax rates in the Income-tax Act, 1961 (Act). Existing domestic companies have been provided an option to pay tax at a concessional rate of 25.17% as per Section 115BAA of the Income Tax Act, 1961 (including surcharge and cess). No minimum alternate tax (MAT) would be applicable u/s 115JB if Company Opt for concessional tax rates as per Section 115BAA read with section 115JB. For the FY 2019-20, Company has opted to pay tax at concessional rate i.e tax rate per section 115BAA.

<b>Total financial liabilities</b>	<b>988.39</b>	<b>873.71</b>

**B Fair value of financial assets and liabilities measured at amortised cost**

Particulars	As at March 31, 2020	As at March 31, 2019
<b>Financial liabilities</b>		
<b>Carrying value of financial liabilities at amortised cost</b>		
Borrowings	-	-
Retention money payable	-	-
<b>Fair value of financial liabilities carried at amortised cost</b>		
Borrowings	-	-
Retention money payable	-	-
The carrying value amounts of fixed deposits, interest accrued on deposits, retention money payable, insurance claim receivable, cash and cash equivalents, other receivable, interest accrued, and creditors for capital expenditure approximate their fair value due to their short term nature.		
For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.		

**C Fair value Hierarchy**

**Fair value hierarchy - Assets and liabilities which are measured at amortised cost for which fair values are disclosed**

All financial instruments for which fair value is recognised or disclosed are categorised within the fair value hierarchy described is based on the lowest level input that is significant to the fair value measurement as a whole. All financial instruments fall under the category of Level 3

**Recognised fair value measurements**

Level 1: Quoted (unadjusted) price is active market for identical assets or liabilities.

Level 2: Valuation technique for which the lowest level input that has a significant effect on the fair value measurement are observable, either directly or indirectly.

Level 3: Valuation technique for which the lowest level input has a significant effect on the fair value measurement is not based on observable market data.

Notes to the financial statements for the year ended 31st March 2020

(All amounts are in Rs lakhs, unless stated otherwise)

25 In January 2020, the World Health Organization has declared the outbreak of a novel coronavirus (COVID-19) as a "Public Health Emergency of International Concern", which continues to spread throughout the world and has adversely impacted global commercial activity and contributed to significant declines and volatility in financial markets. The coronavirus outbreak and government responses are creating disruption in global supply chains and adversely impacting many industries. The outbreak could have a continued material adverse impact on economic and market conditions and trigger a period of global economic slowdown. The rapid development and fluidity of this situation precludes any prediction as to the ultimate material adverse impact of the coronavirus outbreak. The impact of COVID-19 on the business operations of the Company, including the duration, cannot be reasonably ascertained at this point in time, the management does not anticipate any material adverse impact on the business, results of operations, financial position and cash flows.
