

INDEPENDENT AUDITOR'S REPORT

To the Members of HREL Real Estate Limited
Report on the Audit of the Standalone Ind AS Financial Statements

Adverse Opinion

We have audited the accompanying Standalone Ind AS financial statements of **HREL Real Estate Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2022 and the Statement of Profit and Loss(including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the Standalone Ind AS financial statements, including a summary of significant accounting policies and other explanatory information for the year ended on that date.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements do not give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit, changes in equity and its cash flows for the year ended on that date.

Basis for Adverse Opinion

FRN 141076W

As stated in Note 27 to the accompanying financial statements, which indicate that the Company has accumulated losses of Rs. of Rs.1,12,062.62 lakhs (Previous Year: Rs. 1,12,370.35 lakhs), resulting in negative net worth of Rs.50,822.39 lakhs (Previous Year: Rs 51,130.12) as at 31st March, 2022. The Company's current liabilities exceeds its current assets by Rs.57,583.73 lakhs (Previous Year: Rs. 57,577.20 lakhs) as at that date which has resulted in complete erosion of the networth of the Company.

Further, the Company has additional obligations towards corporate guarantee and put option right given by the Company as mentioned in Note 22(iii) of the financials, which is likely to further increase the net loss, accumulated losses and net current liabilities by Rs.6,06,964.65 lakhs (Previous Year: Rs. 5,76,470.00 lakhs). Considering such factors and in the absence of necessary and adequate evidence with respect of the Company's assessment of going concern, as per our judgement, management's use of going concern basis of accounting in the financial statements is inappropriate.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered

Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion.

Emphasis of Matter

- 1. We draw attention to Note 19(iii) to the accompanying financial statements, the Company had provided corporate guarantees and put options aggregating Rs. 6,06,964.65 lakhs (Previous Year Rs. Rs. 576,470.00 lakhs) to the lenders of its erstwhile subsidiaries, Lavasa Corporation Limited (LCL) and Warasgaon Assets Maintenance Limited (WAML) in respect of amounts borrowed by these entities. LCL and WAML were admitted under the Corporate Insolvency and Resolution Process (CIRP) in accordance with the Insolvency and Bankruptcy Code, 2016 (IBC) dated 30 August 2018 and 20 December 2018, respectively and Resolution Professionals (RP) were been appointed by the Committee of Creditors (CoC) of the lenders of respective companies. The lenders, to whom these corporate quarantees and put options were furnished, have filed their claims with Resolution Professional and have also invoked the corporate guarantee/ put options issued by the Company. The National Company Law Tribunal, Mumbai Bench vide its order dated 26 February 2020, have approved the request of lenders of LCL and WAML to consolidate LCL, WAML and Dasve Convention Centre Limited (a subsidiary of LCL) and thereby get better valuation on liquidation. The Resolution Professional is in the process of formulating a resolution plan including identifying potential resolution applicant. The liability of the Company shall be determined once the debts due to these lenders are settled by Resolution Professional upon completion of the IBC process. Pending the outcome of the resolution process, no provision has been made in the financial statements by the management stating that the impact, if any is currently unascertainable.
- 2. Certificates/Confirmations were not available from Banks for Bank Balances amounting to Rs.0.44 (Previous Year Rs. 0.44) lakhs as on 31st March, 2022.

Our opinion is not modified in respect of these matters.

Information other than the Ind AS Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

The Annual Report is not made available to us at the date of this auditor's report. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually

or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably

be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- Based on our audit, we report that the Company has not paid or provided for any managerial remuneration during the year. Accordingly, reporting under section 197(16) of the Act is not applicable.
- 2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 3. Except for the effects of the matter described in the basis for Adverse Opinion section of our report, As required by Section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss, the statement of changes in equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) The matter described in paragraph 3 under the Material Uncertainty Related to Going Concern paragraph, in our opinion, may have an adverse effect on the functioning of the Company.
 - a. On the basis of the written representations received from the management as on March 31, 2022, no funds have been **advanced or loaned or invested** by the company to or in any other person(s) or entities, including foreign entities ("Intermediaries"), with the understanding that the intermediary shall whether directly or indirectly lend or invest in other persons or entities identified in any manner by or on behalf of the company (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of ultimate beneficiaries.
 - b. On the basis of the written representations received from the management as on March 31, 2022, no funds have been **received by the company** from any

f)

person(s) or entities including foreign entities ("Funding Parties") with the understanding that such company shall whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or provide guarantee, security or the like on behalf of the Ultimate beneficiaries.

- c. Based on the audit procedures performed, nothing has come to our notice that has caused us to believe that the below representations given by the management contain any material mis-statement.
- g) No dividend were declared/paid during the year by the Company, therefore question of compliance of section 123 of the Act does not arise.
- h) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- i) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- j) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has not been an occasion in case of the company during the year under report to transfer any sums to the Investor Education and Protection Fund. The question of delay in transferring such sums does not arise.
- 3. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, no remuneration has been paid by the Company to its directors during the year so the provisions of section 197 of the Act are not applicable.

(Note: Due to COVID-19 Pandemic Lockdown and other restrictions imposed by the Government and local administration, the audit processes were carried out **based on**

the remote access to the extent available/feasible and necessary records made available by the management through digital medium, without physically verifying at their office.)

Annexure 'A' to the Independent Auditor's Report of HREL Real Estate Limited for the Year ended as on 31st March 2022

Annexure referred to in paragraph 1 under the heading "Report on Other Legal and Regulatory Requirements" of our report on even date:-

- (a) A. The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - B. The Company has no intangible assets as on 31st March 2022. Therefore the paragraph 3(i)(B) of the Order is not applicable to the Company.
 - (b) All property, plant and equipment have been physically verified by the management during the year, and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
 - (c) Company does not own immovable properties and hence paragraph 3(i)(c) of the Order is not applicable.
 - (d) There was no revaluation been done by the company of its property, plant and equipment (including the right of use assets) or intangible assets or both during the year.
 - (e) According to the information and explanations given to us and on the basis of our examination of the books of accounts, there are no proceedings initiated or pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- ii. The Company does not have any Inventory. Accordingly, the provision of clause 3(ii) of the Order are not applicable.
- iii. The Company has granted unsecured loans to eight company covered in the register maintained under section 189 of the Companies Act, 2013 ("The Act").
 - a. In our opinion, the rate of interest and other terms and conditions on which the loans had been granted to the body corporate listed in the register maintained under Section 189 of the Act, were not, prima facie, prejudicial to the interest of the Company.
 - b. The schedule of repayment of principal and the payment of the interest has not been stipulated and hence we are unable to comment as to whether repayments/receipts of the principal amount and the interest are regular; and

- c. In the absence of stipulation with regard to repayment of principal and payment of interest, we are unable to comment on the overdue interest amounts for more than 90 days in respect of the loan granted to a body corporate listed in the register maintained under section 189 of the Act, and whether reasonable steps have been taken by the company for recovery of the principal amount and interest.
- iv. In our opinion and according to the information and explanations given to us, the Company has not entered into any transaction in respect of loans, investments, guarantee and securities, which attracts compliance to the provisions of the sections 185 and 186 of the Companies Act, 2013. Therefore the paragraph 3(iv) of the Order is not applicable to the Company.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits and the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act and the rules framed there under are not applicable to the Company.
- vi. We have been informed that the Central Government has not prescribed the maintenance of cost records under section 148(1) of the Act, for any of the Goods provided and Services rendered by the Company, which has been relied upon.

vii.

a) According to the information and explanations given to us and on the basis of our examination of the books of accounts, the Company has been generally regular in depositing undisputed statutory dues including goods & service tax, provident fund, employee state insurance, income tax, service tax, value added tax, cess and other statutory dues during the year with the appropriate authorities. As on 31st March 2022, undisputed statutory dues payables for period exceeding for a period more than six month from the date they become payable are as follows.

Statement of arrears of statutory dues for more than six months

Name of the statute	Nature of the dues	Amount (INR in Lakhs)	Period to which the amount relates	Due date	Date of Payment
Income Tax Act, 1961	Interest on TDS	19.88 Lakhs	March 2018 to November 2018	30 th April, 2018	Not paid till date

b) According to the information and explanation given to us, the cases of statutory dues referred to in sub-clause (a) which have not been deposited on account of dispute are as follows:

Name of the statute	Nature of the dues	Amount (INR in Lakhs)	Amount paid under Protest (INR in Lakhs)	Period to which the amount relates (FY)	Forum where dispute is pending				
Income	Income	2.41	-	2005-06	CIT(Appeals)				
Tax Act,	Tax / Penalty	41.86	- ;	2008-09	CIT(Appeals)				
1961	remaily	133.57	-	2009-10	CIT(Appeals)				
				1,095.41	-	2010-11	Bombay High Court		
						2,103.04	69.77	2011-12	CIT(Appeals)
							967.19	107.00	2012-13
			771.49	86.00	2013-14	CIT(Appeals)			
		595.02	-	2016-17	CIT(Appeals)				
		322.86	-	2017-18	CIT(Appeals)				

- viii. There are no transactions being not recorded in the books of account and that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. The Company has not taken term loans from any lender during the year, hence paragraph 3(ix) of the order is not applicable to the Company.
- x. The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) and the term loan during the year. Hence reporting under this clause 3(x) of the order is not applicable to the Company.
- xi. According to the information and explanation given to us by the management which have been relied by us, there were no frauds on or by the Company noticed or reported during the period under audit.
- xii. The Company is not a Nidhi Company and hence clause3 (xii) of the Order is not applicable to the Company.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, all transactions with the related parties are in compliance with sections 177 and 188 of the Companies Act, 2013 where applicable and the details of such transactions have been disclosed in the Standalone Ind AS financial statements as required by the applicable accounting standards. Further, in our opinion, the Company is not required to constitute an audit committee under Section 177 of the Act.

xiv.

a. The company has an internal audit system commensurate with the size and nature of its business;

- b. The reports of the Internal Auditors for the period under audit were considered by the statutory auditor;
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- xvi. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
- xvii. The company has not incurred any cash losses in the financial year.
- xviii. There has been no resignation of the statutory auditors during the year therefore, reporting under the said clause is not applicable.
 - xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities amount to Rs. 51,839.43 Lakhs (Previous year Rs. 51,834.01 Lakhs) payable on account of Related party loans & ICDs existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

xx. Section 135 of the Companies Act, 2013 regarding spending on CSR is not applicable to the Company. Therefore, reporting under this clause is not applicable.

ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT (Referred to in our Report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **HREL Real Estate Limited** ("the Company") as of March 31, 2022 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The

procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Adverse Opinion

According to the information and explanation given to us and based on our audit, the following material weakness has been identified in the operating effectiveness of the Company's internal financial controls over financial reporting as at 31st March 2022;

The Company's internal controls over financial reporting with respect to financial statements closure process in terms of assessing the Company's ability to continue as a going concern were **not operating effectively**, which is likely to result in material misstatements in the carrying value and classification of assets and liabilities and have a consequential impact on earnings, reserves and related disclosures in the financial statements.

A 'material weakness' is a deficiency, or a combination or deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, the Company has, in all material respects, adequate internal financial controls system over financial reporting as on 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India, and because of the possible effects of the material weakness described above on the achievements of the objectives of the control criteria, the Company's internal financial controls over financial reporting were not operating effectively as on 31st March, 2022.

(Note: Due to COVID-19 Pandemic Lockdown and other restrictions imposed by the Government and local administration, the audit processes were carried out based on the remote access to the extent available/feasible and necessary records made available by the management through digital medium, without physically verifying at their office.)

Summary of significant accounting policies and other explanatory information to the financial statements for the year ended 31 March 2022

1 Corporate Information

HREL Real Estate Limited ('the Company') is a public limited company incorporated and domiciled in India and is incorporated under the provisions of the erstwhile Companies Act, 1956. The Company is engaged in Real estate activities with own or leased property. The registered office of the Company is located at Hincon House, LBS Marg, Vikhroli (West), Mumbai - 400 083, India. The Company was incorporated on 15 June 2005 (CIN:U70100MH2005PLC154004).

The financial statements of the Company as at and for the year ended 31 March 2022 were approved and authorised for issue by the board of directors on 2nd May 2022.

1.1 Significant accounting policies

i Basis of preparation

The financial statements of HREL Real Estate Limited have been prepared to comply in all material respects with the Indian Accounting Standards ("Ind AS") notified by the Companies (Accounting Standards) Rules, 2015 in respect of Section 133 of the Companies Act, 2013 ("the Act").

The financial statements have been prepared under the historical cost convention with the exception of certain financial assets and liabilities, share based payments and contingent consideration that are measured at fair values, on an accrual basis of accounting.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the operating cycle of the Company as per the guidance set out in Schedule III to the Companies Act, 2013 ("the Act"). Operating cycle for the business activities of the Company covers the duration of the project/ contract, and extends upto the realisation of receivables (including retention monies) within the credit period normally applicable to the respective project.

These financial statements are reported in Indian Rupees, which is also the Company's functional currency, and all values are rounded to the nearest Lakhs (INR 00,000) except when otherwise indicated.

ii Accounting estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation are reviewed on an ongoing basis at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Valuation of investment in/ loans to subsidiaries and other related parties

The Company performs valuation for its investments in equity/ preference shares of subsidiaries for assessing whether there is any impairment in the fair value. When the fair value of investments in subsidiaries cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the discounted cash flow model. Similar assessment is carried for exposure of the nature of loans and interest receivable thereon. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as expected earnings in future years, liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of these investments.

Deferred tax assets

In assessing the realisability of deferred income tax assets including Minimum Alternate Tax, management considers whether some portion or all of the deferred income tax assets will not be realised. The ultimate realisation of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the Company will realise the benefits of those deductible differences. The amount of the deferred income tax assets considered realisable, however, could be reduced in the near term, if estimates of future taxable income during the carry forward period are reduced.

Defined benefit plans

The cost and present value of the gratuity obligation and compensated absences are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition rate and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

iii Property, plant and equipment (Tangible assets)

Property, plant and equipment are stated at cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/ installation of the assets less accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure relating to Property, plant and equipment is capitalised only when it is probable that future economic benefits associated with the Item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the Statement of Profit and Loss.

Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct allocable overheads.

On transition to Ind AS, the Company has opted to continue with the carrying values measured under the previous GAAP as at 1 April 2015 of its Property, plant and equipment and use that carrying value as the deemed cost of the Property, Plant and Equipment on the date of transition i.e. 1 April 2015.

iv Intangible assets

Intangible assets comprise of implementation cost for software and other application software acquired / developed for in-house use. These assets are stated at cost, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably, less accumulated amortisation and accumulated impairment losses, if any.

(formerly known as HCC Real Estate Limited)

Summary of significant accounting policies and other explanatory information to the financial statements for the year ended 31 March 2022

v Depreciation and amortization

Depreciation on tangible assets except for leasehold improvements is provided on the written down value basis considering the estimated useful lives of the assets on pro-rata basis. The useful lives have been determined based on technical evaluation carried out by the management's expert, in order to reflect the actual usage of the assets. The asset's useful lives are reviewed and adjusted, if appropriate, at the end of each reporting period. The estimated useful lives are as below:

Office equipment: 20 years

For the above classes of assets, based on internal assessment, management believes that the useful life as given above represents the period over which it expects to use these assets. Hence the useful lives of these assets are different from the useful lives as prescribed under Part C of Schedule II to the Companies Act, 2013

Leasehold improvements is amortised over the primary period of lease.

In respect of intangible assets, computer software is amortized over the estimated useful life of five years under straight line method on pro-rata basis.

vi Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial assets

Initial recognition

In the case of financial assets, not recorded at fair value through profit or loss (FVPL), financial assets are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in following categories:

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate ("EIR") method. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

Financial assets at fair value through other comprehensive income (FVTOCI):

Financial assets are measured at FVTOCI, if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss.

Financial asset not measured at amortised cost or at fair value through OCI is carried at FVPL.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/ expense in the Statement of Profit and Loss.

De-recognition of financial assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

b) Equity instruments and financial liabilities

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs. Equity instruments which are issued for consideration other than cash are recorded at fair value of the equity instrument.

(formerly known as HCC Real Estate Limited)

Summary of significant accounting policies and other explanatory information to the financial statements for the year ended 31 March 2022

Financial liabilities

1) Initial recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at FVPL, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

2) Subsequent measurement:

The measurement of financial liabilities depends on their classification, as described below

Financial liabilities at fair value through profit or loss (FVTPL)

Financial liabilities at FVPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts issued by the Company are initially measured at their fair value and, if not designated as at FVTPL, are subsequently measured at a higher of:

- the amount of loss allowance determined in accordance with impairment requirement of Ind AS 109; and
- the amount initially recognised less, when appropriate, the cumulative amount of income recognised

Where guarantees in relation to loans or other payables of holding company or group companies under the control of holding company are provided for no compensation, the fair values are accounted for as contributions with corresponding debit to equity.

Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the Statement of Profit and Loss.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Where the terms of a financial liability is re-negotiated and the Company issues equity instruments to a creditor to extinguish all or part of the liability (debt for equity swap), a gain or loss is recognised in the Statement of Profit and Loss; measured as a difference between the carrying amount of the financial liability and the fair value of equity instrument issued.

De recognition of financial liabilities

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

c) Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis; to realise the assets and settle the liabilities simultaneously.

Reclassification of financial assets

The Company determines classification of financial assets or liabilities on initial recognition. After initial recognition, no re-classification is made for financial assets which are categorised as equity instruments at FVTOCI and financial assets of liabilities that are specifically designated at FVTPL. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be very in-frequent. The management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies the financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

vii Employee benefits

a Defined contribution plan

Contributions to defined contribution schemes such as provident fund, employees' state insurance, labour welfare fund and superannuation scheme are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Company has no further obligations beyond the monthly contributions.

b Defined benefit plan

The Company also provides for gratuity which is a defined benefit plans, the liabilities of which is determined based on valuations, as at the balance sheet date, made by an independent actuary using the projected unit credit method. Re-measurement, comprising of actuarial gains and losses, in respect of gratuity are recognised in the OCI, in the period in which they occur. Re-measurement recognised in OCI are not reclassified to the Statement of Profit and Loss in subsequent periods. Past service cost is recognised in the Statement of Profit and Loss in the period of plan amendment or curtailment. The classification of the Company's obligation into current and non-current is as per the actuarial valuation report.

c Leave entitlement and compensated absences

Accumulated leave which is expected to be utilised within next twelve months, is treated as short-term employee benefit. Leave entitlement, other than short term compensated absences, are provided based on a actuarial valuation, similar to that of gratuity benefit. Re-measurement, comprising of actuarial gains and losses, in respect of leave entitlement are recognised in the Statement of Profit and Loss in the period in which they occur.

d Short-term benefits

Short-term employee benefits such as salaries, wages, performance incentives etc. are recognised as expenses at the undiscounted amounts in the Statement of Profit and Loss of the period in which the related service is rendered. Expenses on non-accumulating compensated absences is recognised in the period in which the absences occur.

viii Inventorie:

- a Land and construction / development expenses are accumulated under "Project work-in-progress" and the same are valued at cost or net realizable value, whichever is lower.
- b Cost of land purchased / acquired by the Company includes purchase / acquisition price plus stamp duty and registration charges.
- c Construction / development expenditure includes cost of development rights, all direct and indirect expenditure incurred on development of land/ construction, attributable interest and financial charges and overheads relating to site management and administration less incidental revenues arising from site operations.

ix Cash and cash equivalents

Cash and cash equivalents in the Balance Sheet comprises of cash at banks and on hand and short-term deposits with an original maturity of three month or less, which are subject to an insignificant risk of changes in value.

(formerly known as HCC Real Estate Limited)

Summary of significant accounting policies and other explanatory information to the financial statements for the year ended 31 March 2022

x Seament reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker regularly monitors and reviews the operating result of the whole Company as one segment of "Real Estate Development". Thus, as defined in Ind AS 108 "Operating Segments", the Company's entire business falls under this one operational segment.

xi Exceptional items

When items of income and expense within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items.

xii Borrowing costs

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the EIR amortisation is included in finance costs.

Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the Statement of Profit and Loss in the period in which they occur.

xiii Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to the equity shareholders (after deducting preference dividends and attributable taxes, if any) by the weighted average number of shares outstanding during the year. For the purpose of calculating diluted earning per share, net profit or loss for the year attributable to equity shareholders and weighted number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

xiv Revenue recognition

a Revenue from operations

Revenue is recognised at an amount that reflects the consideration to which the Company expects to be entitled when a performance obligation is satisfied, which occurs when control of goods or services gets transfer to the customer.

Contract modifications are accounted for when additions, deletions or changes are approved either to the contract scope or contract price. The accounting for modifications of contracts involves assessing whether the services added to an existing contract are distinct and whether the pricing is at the standalone selling price. Services added that are not distinct are accounted for on a cumulative catch up basis, while those that are distinct are accounted for prospectively, either as a separate contract, if the additional services are priced at the standalone selling price, or as a termination of the existing contract and creation of a new contract if not priced at the standalone selling price.

b Interest and other income

Interest income is accrued on a time proportion basis, by reference to the principal outstanding and the effective interest rate applicable.

Dividend income is recognized when the company's right to receive dividend is established.

Other income is accounted for on accrual basis. Where the receipt of income is uncertain it is accounted for on receipt basis.

xv Income tax

Income tax comprises of current and deferred income tax. Income tax is recognised as an expense or income in the Statement of Profit and Loss, except to the extent it relates to items directly recognised in equity or in OCI.

a Current income tax

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

b Deferred income tax

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each Balance Sheet date to reassess realisation.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Minimum Alternative Tax ("MAT") credit is recognised as an asset only when and to the extent it is probable that the Company will pay normal income tax during the specified period.

xvi Leases

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership over the leased term, are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where the lease payments are structured to increase in line with expected general inflation. Assets acquired on finance lease are capitalised at fair value or present value of minimum lease payment at the inception of the lease, whichever is lower.

xvii Provisions, contingent liabilities and contingent assets

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the Balance Sheet date. When appropriate, the time value of money is material, provisions are discounted using a current pretax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company. A contingent liability also arises, in rare cases, where a liability cannot be recognised because it cannot be measured reliably.

Contingent assets are disclosed where an inflow of economic benefits is probable.

2 Exemption under the Act

The Company has opted not to prepare consolidated financial statements based on exemption available under Rule 6 of Companies (Accounts) Rules, 2014 (as amended) read with Section 129(3) of the Act.

The Company has opted not to prepare consolidated financial statements based on exemption available under Rule 6 of Companies (Accounts) Rules, 2014 (as amended) read with Section 129(3) of the Act.

		As at 31 March 2022 (Rs. in lakhs)	As at 31 March 2021 (Rs. in lakhs)
9	Inventories		
	Project work in progress - Land	11,082.76	11,082.76
	Less: Impairment loss provision (Refer note 9.1 below) (Valued at cost or net realisable value, whichever is lower)	(11,082.76)	(11,082.76)
	Total Inventories	-	

9.1 The Company had inventory consisting of two parcels of land at Dasve village in Lavasa city. National Company Law Tribunal, Mumbai (NCLT), vide Order dated 30 August 2018, has admitted an application filed against Lavasa Corporation Limited (LCL) by an operational creditor and initiated the Corporate Insolvency Resolution Process (CIRP) under the Insolvency and Bankruptcy Code 2016 ('IBC'). In view of this, no transaction in respect of purchase or sale of land are currently taking place at Lavasa city. In view of uncertainties associated with the outcome of CIRP and consequent development of Lavasa city and in particular around the land parcel owned by the Company, as a matter of prudence, the Company had impaired the value of inventory aggregating Rs. 11,082.76 lakhs in the previous year. The Resolution plan is under process and there is no outcome as at the date of adoption of these financial statements.

Summary of significant accounting policies and other explanatory information to the financial statements for the year ended 31 March 2022

18	Loss per share:	31 March 2022	31 March 2021
	Net loss as per the statement of profit and loss attributable to equity shareholders (Rs. in lakhs) Weighted average number of equity shares for earning per share computation Loss per share - Basic and Diluted (in Rs.)	307.73 6,61,93,185.00 0.46	480.54 6,61,93,185 0.73
19	Contingent liabilities and commitments	As at 31 March 2022 (Rs. in lakhs)	As at 31 March 2021 (Rs. in lakhs)
(i)	Income tax assessments matters	4,459.56	4,459.56
(ii)	Corporate guarantees/ put options given for Holding company Fellow subsidiaries [Also refer note (v) below] Others [Also refer note (iii) below]	9,67,726.54 - 6,06,964.65	9,69,155.04 6,145.84 5,76,470.00

- (iii) The Company had provided corporate guarantees and put options aggregating Rs. 6,06,964.65 lakhs to the lenders of its erstwhile subsidiaries, Lavasa Corporation Limited (LCL) and Warasgaon Assets Maintenance Limited (WAML) in respect of amounts borrowed by these entities. LCL and WAML were admitted under the Corporate Insolvency and Resolution Process (CIRP) in accordance with the Insolvency and Bankruptcy Code, 2016 (IBC) dated 30 August 2018 and 20 December 2018, respectively and Resolution Professionals (RP) were been appointed by the Committee of Creditors (CoC) of the lenders of respective companies. The lenders, to whom these corporate guarantees and put options were furnished, have filed their claims with Resolution Professional and have also invoked the corporate guarantee/ put options issued by the Company. The National Company Law Tribunal, Mumbai Bench vide its order dated 26 February 2020, have approved the request of lenders of LCL and WAML to consolidate LCL, WAML and Dasve Convention Center Limited (a subsidiary of LCL) and thereby get better valuation on liquidation. The Resolution Professional is in the process of formulating a resolution plan including identifying potential resolution applicant. The liability of the Company shall be determined once the debts due to these lenders are settled by Resolution Professional upon completion of the IBC process. Pending the outcome of the resolution process, no provision has been considered necessary in the financial statements by the management, as impact, if any is currently unascertainable.
- (iv) During the previous year, Company had received a corporate guarantee invocation letter from the Lender of two group companies, Dhule Palesner Operations Maintenance Limited (DPOML) and HCC Power Limited (HPL), vide both letters dated 10 February 2020. The amount demanded by the lender aggregates Rs. 6,145.84 lakhs. At present, DPOML and HPL are in discussion with the lender regarding settlement of such outstanding loan and interest thereon. HCC Infrastructure Limited, the parent company of these two group companies, have contractually agreed to reimburse to the Company, any cash outflow that the Company may have to incur in relation to above invocation. Accordingly, the Company has not booked any liability/ provision towards the above event, as at 31
- 20 Corporate Insolvency Resolution Process (CIRP)
- a) The National Company Law Tribunal, Mumbai (NCLT) vide order dated 30 August 2018, has admitted an application filed against an erstwhile subsidiary, Lavasa Corporation Limited (LCL) by an operational creditor and initiated the Corporate Insolvency Resolution Process (CIRP) under the Insolvency and Bankruptcy Code, 2016 ('IBC'). In view of uncertainties associated with the outcome of CIRP and as a matter of prudence, the Company had recognised impairment provision of Rs 67,048.74 lakhs for its exposure in LCL during the financial year 2018-19

(formerly known as HCC Real Estate Limited)

Summary of significant accounting policies and other explanatory information to the financial statements for the year ended 31 March 2022

The National Company Law Tribunal, Mumbai (NCLT) vide order dated 20 December 2018, has admitted an application filed against an erstwhile step down subsidiary, Warasgaon Asset Maintenance Limited (WAML) by an operational creditor and initiated the Corporate Insolvency Resolution Process (CIRP) under the Insolvency and Bankruptcy Code, 2016 ('IBC'). In view of uncertainties associated with the outcome of CIRP and as a matter of prudence, the Company had recognised impairment provision of Rs 3,513.67 for its exposure in WAML during the year 2018-19

Summary of significant accounting policies and other explanatory information to the financial statements for the year ended 31 March 2022

22 Financial instruments

The fair value of the financial assets are included at amounts at which the instruments could be exchanged in a current transaction between willing parties other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair value:

- (a) Fair value of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, approximate their carrying amounts largely due to the short-term maturities of these instruments.
- (b) Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for the expected losses of these receivables.

A. Financial instruments by category

The carrying value and the fair value of financial instruments by each category As at 31 March 2022

Particulars	Financial assets / liabilities at amortised costs	Financial assets / liabilities at fair value through profit or loss	Financial assets/ liabilities at fair value through OCI	Total carrying value	Total fair value
Assets			======		
Investments	1,951.33	0.50	-	1,951.83	1,951.83
Loans	14,524.05	-	-	14,524.05	14,524.05
Cash and cash equivalents	0.44	-	-	0.44	0.44
Liabilities					
Borrowings	51,839.43	-		51,839.43	51,839.43
Other financial liabilities	5,799.42	-	-	5,799.42	5,799.42
Trade payables	50.44	-	-	50.44	50.44

The carrying value and the fair value of financial instruments by each category as at 31 March 2021 :

			A CONTRACTOR OF THE PARTY OF TH		(Rs. in lakhs)
Particulars	Financial assets / liabilities at amortised costs	Financial assets / liabilities at fair value through profit or loss	Financial assets/ liabilities at fair value through OCI	Total carrying value	Total fair value
Assets					
Investments	1,951.33	0.48	-	1,951.81	1,951.81
Loans	14,524.05	-	-	14,524.05	14,524.05

B. Fair value hierarchy:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs)

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis:

(Rs. in lakhs)

Particulars		31 March 2022	31 March 2021				
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3

HREL Real Estate Limited

(formerly known as HCC Real Estate Limited)

Summary of significant accounting policies and other explanatory information to the financial statements for the year ended 31 March 2022

23 Financial risk management objectives and policies

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

(i) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Major Financial instruments affected by market risk includes loans and borrowings.

a. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's total debt obligations with floating interest rates.

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's loss before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	As at 31 March 2022 Rs. in lakhs	As at 31 March 2021 Rs. in lakhs
Increase in basis points	50 basis points	50 basis points
Effect on loss before tax, increase by	-	112.30
Decrease in basis points	50 basis points	50 basis points
Effect on loss before tax, decrease by		112.30

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment, showing a significantly higher volatility than in prior years.

b. Foreign currency risk

The Company does not have any balances outstanding in foreign currency and consequently the Company is not exposed to foreign exchange risk.

c. Equity price risk

The Company has not invested in listed securities except in mutual funds, thus the equity price risk of the Company is minimal.

(ii) Credit Risk

The Gross carrying amount of financial assets, net of any impairment losses recognised represents the maximum credit exposure. The maximum exposure to credit risk is as follows:

Particulars	31 March 2022 (Rs. in lakhs)	31 March 2021 (Rs. in lakhs)
Investments	1,951.83	1,951.81
Cash and cash equivalents and other bank balances	0.44	0.44
Other financial assets		-
Loans	2,762.90	2,762.90
Total	4,715.16	4,715.14

(iii) Liquidity risk

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

As at 31 March 2022				(Rs. in lakhs)	
Particulars	On demand		Contractual Cash	flow	Total
		0-12 Months	1 - 5 years	More than 5 years	
Borrowings (including current maturities)	-	51,839.43		-	51,839.43
Other financials liabilities	-	5,799.42			5,799.42
Trade and other payables	-	50.44	-	-	50.44
Total		57 689 30			57 689 30

As at 31 March 2021: (Rs. in lakhs) On demand Contractual Cash flow Particulars Total 0-12 Months 1 - 5 years More than 5 years Borrowings (including current maturities) 51,834.00 51.834.00 Other financials liabilities 5,799.42 314.40 6,113.82 Trade and other payables 42.71 42.71 57,676.14 314.40 57,990.53

24 Capital management

FRN 141076W

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The Company strives to safeguard its ability to continue as a going concern so that they can maximise returns for the shareholders and benefits for other stake holders.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may return capital to shareholders, issue new shares or adjust the dividend payment to shareholders (if permitted). Consistent with others in the industry, the Company monitors its capital using the gearing ratio which is total debt divided by total capital plus total debt.

Particulars		As at 31 March 2022 Rs. in lakhs	As at 31 March 2021 Rs. in lakhs
Total debts (non current and current)	(a)	52,014.85	52,009.42
Total equity	(b)	(50,822.39)	(51,130.12)
Gearing ratio (in times) (a/b)		(1.02)	(1.02)

HREL Real Estate Limited

(formerly known as HCC Real Estate Limited)

Summary of significant accounting policies and other explanatory information to the financial statements for the year ended 31 March 2022

25 This section sets out an analysis of net debt and the movements in net debt for the year ended 31 March 2022 and 31 March 2021:

Particulars	31 March 2022	31 March 2021
Cash and cash equivalents	(0.44)	(0.44)
Current borrowings (including current maturities)	51,839.43	51,834.01
Interest payable on borrowings	175.42	175.42
Net Debt	52,014.41	52,009.00

Particulars	Other	Other Assets		Liabilities from Financing Activities	
	Cash and cash equivalents	Liquid Investments	Non-Current Borrowings	Current Borrowings	Total
Net Debt as at 31 March 2021	(0.44)			48,827.31	48,826.87
Cash Flows	-	1 a a	-	5.41	5.41
Interest Expense	3.5	5)	3.5		-
Interest paid	-	2	-	-	_
Net Debt as at 31 March 2022	(0.44)	= /		48,832.72	48,832.28

Particulars	Other	Assets	Liabilities from	Financing Activities	Total
	Cash and cash equivalents	Liquid Investments	Non-Current Borrowings	Current Borrowings	
Net Debt as at 31 March 2020	-	-		48,813.96	48,813.96
Cash Flows	(0.44)	-	-	13.34	12.91
Interest Expense	1.7	-	-	1.7	-
Interest paid			_		-
Net Debt as at 31 March 2021	(0.44)	-:		48,827.31	48,826.88

- 26 The Company is principally engaged in a single business segment i.e. Real estate activity, with owned or leased property.
- 27 The Company has accumulated losses of Rs.1,12,062.62 lakhs (Previous Year: Rs 1,12,370.35 lakhs), resulting in negative net worth of Rs. 50,822.39 lakhs (Previous Year: Rs 51,130.12) as at 31 March 2022. The Company's current liabilities exceeds its current assets by Rs 57,583.73 lakhs (Previous Year:Rs. 57,577.20 lakhs) as at that date. Although these events or conditions may cast significant doubt on the Company's ability to continue as a going concern, the management holds the view that the Company will realise its assets and discharge liabilities in the normal course of business. Based on the evaluation of the current situation and business prospects, management is confident of revival of operations. Accordingly, the financial statements have been prepared on the basis that the Company is a going concern.
- 28 In view of company's poor financial position, in spite of its best effort to get vacancies of KMPs filled during the year under review, the company didn't get suitable candidates, therefore the positions remained vacant.
- 29 The outbreak of COVID-19 had disrupted regular business operations of the Company due to the lock down restrictions and other emergency measures imposed by the Government from time to time. The operations of the Company have started recovering from the economic slowdown caused by COVID-19 pandemic and reaching normalcy. The management has taken into account the possible impacts of known events, upto the date of the approval of these financial statements, arising from COVID-19 pandemic on the carrying value of the assets and liabilities as at 31 March 2022. While the Company continues to closely monitor the impact of COVID-19 pandemic, there exists uncertainty in estimating the future impact of COVID-19 pandemic on the Company and, accordingly, the actual impact in the future may be different from those presently estimated.

30 Analysis of Financial Ratios

Nature of Ratio	Parameters	31-Mar-22	31-Mar-21	% of change in Ratio*
(a) Current Ratio	Current Assets	0.00	0.00	5.33%
(b) Debt-Equity Ratio	Current Liabilities Total Debt Shareholders Equity	-1.02	-1.02	0.62%
(c) Debt Service Coverage Ratio (1) Earning for Debt Service = Net Profit after taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of Fixed assets etc.	Shaleholders Equity			
(2) Debt service = Interest & Lease Payments + Principal Repayments. "Net Profit after tax" means reported amount of "Profit / (loss) for the period" and it does not include items of other comprehensive income.	Earnings available for Debt services(1) Debt Service cost (2)	0.00	0.00	0.00%
(d) Return on Equity Ratio* (Average shareholders equity is derived from opening & closing equity shares)	PAT- Dividend to Pref. shareholders	-0.40%	-0.62%	-35.50%
(e) Inventory turnover ratio	Cost of goods sold Average Invetory	0.00%	0.00%	0.00%
(f) Trade Receivables turnover ratio	Net Credit Sales	0.00%	0.00%	0.00%
(g) Trade payables turnover ratio	Net Credit Purchases	0.00%	0.00%	0.00%
(h) Net capital turnover ratio	Net Sales Working Capital	0.00%	0.00%	0.00%

Dear Sir,

Sub: Management Representations Letters

This representation letter is provided in connection with your audit of the financial statements of our Company **HREL Real Estate Limited** for the year ended for the purpose of expressing an opinion as to whether the financial statements give a true and fair view of the financial position of our company as of **31st March**, **2022** and of the results of the operations for the year ended.

We acknowledge our responsibility for the fair representation of the financial statements in accordance with accounting standards and other recognized accounting practices and policies generally accepted in India.

We acknowledge our responsibility for the implementation and operations of accounting and internal control systems that are designed to prevent and detect fraud and error.

We have no knowledge of any fraud or suspected fraud involving management or other employees who have a significant role in the concern internal controls over financial reporting. In addition, we have no knowledge of any fraud or suspected fraud involving any other employees in which the fraud could have a material effect on the financial statements. We have no knowledge of any allegations of financial improprieties, including fraud or suspected fraud, (regardless of the source or form and including without limitation, any allegations by "whistleblowers") which could result in a misstatement of the financial statements or otherwise affect the financial reporting of our firm.

There has been no non-compliance with laws and regulations which could have a material impact on the financial statements.

There are no unadjusted audit differences identified during the current audit. We confirm, to the best of our knowledge and belief, the following representations:

ACCOUNTING POLICIES:

The accounting policies are in accordance with the generally accepted accounting standards in India. The accounting policies and practices which are material or critical in determining the results of operations for the year or financial position are disclosed in the financial statements. The financial statements are prepared on accrual basis.

COMPLIANCE WITH LAWS & REGULATIONS:

- We are not aware of any actual or suspected noncompliance with laws and regulations which can have a material impact in the preparation of the financial statements.
- We are unaware of any known or probable instances of non-compliance with the requirements of regulatory or governmental authorities, including their financial reporting requirements, and there have been no communications from regulatory agencies or government representatives concerning investigations or allegations of non-compliance or deficiencies in financial reporting practices.
- 3. To the best of our knowledge and belief, the Company has not made any improper payments or payments which are illegal or against any regulations.
- 4. The Company has complied with all aspects of contractual agreements which could have a material effect on the financial statements in the event of non-compliance. There has been no non-compliance with requirements of regulatory authorities that could have a material effect on the financial statements in the event of non-compliance.

INFORMATION PROVIDED AND COMPLETENESS OF INFORMATION AND TRANSACTIONS:

We have provided you with:

- 1. Access to all information, on a timely basis, of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other matters
- 2. Additional information that you have requested from us for the purpose of the audit and
- 3. Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence; and
- 4. All the required support to discharge your duties as auditors.

INTERNAL FINANCIAL CONTROL STRUCTURE:

- 1. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
- 2. As required under section 134(5) of the Act, we are responsible for establishing and maintaining adequate and effective internal financial controls and the preparation and presentation of the financial statements and, in particular, the assertions to you on the internal financial controls in accordance with the Indian GAAP.
- 3. There is an adequate internal control system commensurate with the size of the Company and the nature of its business, for the purchase of inventory and fixed assets and for the sale of goods and services. There is no failure to correct any major weakness in internal control system.
- 4. We have disclosed to you all changes/deficiencies in the design or operation of internal controls over financial reporting identified as part of our assessment, including separately disclosing to you all such deficiencies that we believe to be significant deficiencies or material weaknesses in internal controls over financial reporting.

REGISTERS, MINUTES AND CONTRACTS:

- 1. The Minutes of the meetings of the Shareholders and Directors and the Registers required to be maintained under the Companies Act are complete and authentic.
- 2. We have made available to you all significant registers, contracts and agreements. Further we have made available to you all minutes of the meetings of shareholders, directors and committees of directors.
- 3. All matters required to be recorded in the registers and minute books of the Company have been, and are, recorded correctly.

RELATED PARTY TRANSACTIONS:

Transaction with the related parties and related amounts receivable or payable, including sales, purchase, loans, interest, remuneration, transfers, leasing arrangements, and guarantees, have been properly recorded and disclosed in the financial statements.

We confirm the completeness of the list of related parties and relationships as stated in Note 33 of the financial statements, and information provided regarding the identification of such related parties.

PROPERTY, PLANT AND EQUIPMENT:

The net book value represents all the Property, plant and equipment owned by the Company wherever situated.

Adequate records as required under Companies Auditors' Report Order, 2016 showing full particulars, including quantitative details and situation of fixed assets are not currently available with the Company. The company is under process of preparing the adequate records.

INVENTORIES:

The Company had inventory consisting of two parcels of land at Dasve village in Lavasa city. National Company Law Tribunal, Mumbai (NCLT), vide Order dated 30th August 2018, has admitted an application filed against Lavasa Corporation Limited (LCL) by an operational creditor and initiated the Corporate Insolvency Resolution Process (CIRP) under the Insolvency and Bankruptcy Code 2016 ('IBC').

In view of this, no transaction in respect of purchase or sale of land are currently taking place at Lavasa city.

In view of uncertainties associated with the outcome of CIRP and consequent development of Lavasa city and in particular around the land parcel owned by the Company, as a matter of prudence, the Company had impaired the value of inventory aggregating Rs. 11,082.76 lakhs in the previous year.

The Resolution plan is under process and there is no outcome as at the date of adoption of these financial statements.

OTHER CURRENT ASSETS, LOANS AND ADVANCES:

The Current Assets, Loans and advances have a value on realization in the ordinary course of business at least equal to the amounts at which they are stated in the Balance Sheet.

The Inter-Corporate Deposits given to the Group Companies as per Related Party Disclosures in Financial Statements have a value on realization and will be realized in the due course of time.

CASH & BANK BALANCES:

Balances in Current account and Term Deposit accounts shown as under are locked as the banks had freezed the accounts. We confirm that the balances are considered good and will be realizable in normal course of business.

<u>Bank Name</u>	Amount (Rs.) 11,029.97 33,190.77*	
Union Bank of India		
ICICI Bank Limited*		
Total	44,220.74	

^{*}Out of the above current accounts held by the company, bank account held with ICICI Bank having a closing balance of Rs. 0.33 lakhs (Previous Year: Rs 0.33 lakhs), has been attached by the Income tax department in relation to income tax assessment proceedings.

INVESTMENTS:

Pursuant to initiation of the Corporate Insolvency Resolution Process (CIRP) under the Insolvency and Bankruptcy Code, 2016 ('IBC') against Lavasa Corporation Limited (LCL), the Company has lost control over LCL with effect from 31 August 2018. Accordingly, LCL and subsidiaries of LCL have not been treated as subsidiaries post loss of control.

CURRENT LIABILITIES:

There are no disputed amounts of sales tax, income tax, custom duty, wealth tax, service tax, excise duty and cess for more than 6 months as on 31st March, 2022 other than below mentioned:-

Name of	Nature of	Amount	Period to	Due date	Date of
the statute	the dues	(INR in	which the	,	Payment
		Lakhs)	amount		
			relates		
Income Tax	Interest on	19.88 Lakhs	March 2018	30 th April,	Not paid till
Act, 1961	TDS		to	2018	date
			November		
			2018		

There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, cess, Goods and Services Tax and other material statutory dues in arrears as at 30th September, 2021 for a period of more than six months from the date they became payable. (Annexure-1)

CONTINGENT LIABILITY:

There are no contingent liabilities as at year end other than those disclosed in the Financial Statements.

STATEMENT OF PROFIT & LOSS:

All material transactions have been adequately disclosed and full provision has been made in the financial statements for all claims and losses of material amount which have resulted or maybe expected to result from events which occurred or from commitments which were entered into on or before the date of balance sheet.

No personal expenses have been charged to revenue accounts. Except as disclosed in the financial statements, the results for the period were not materially affected by:

- Transactions of a nature not usually undertaken by the Company;
- Circumstances of an exceptional or non-recurring nature;
- Changes in accounting policies.

GOING CONCERN:

The Company had provided corporate guarantees and put options aggregating Rs.6,06,964.65 lakhs (Previous Year Rs.5,76,470.00 lakhs) to the lenders of its erstwhile subsidiaries, Lavasa Corporation Limited (LCL) and Warasgaon Assets Maintenance Limited (WAML) in respect of amounts borrowed by these entities.

LCL and WAML were admitted under the Corporate Insolvency and Resolution Process (CIRP) in accordance with the Insolvency and Bankruptcy Code, 2016 (IBC) dated 30 August 2018 and 20 December 2018, respectively and Resolution Professionals (RP) were been appointed by the Committee of Creditors (CoC) of the lenders of respective companies.

The lenders, to whom these corporate guarantees and put options were furnished, have filed their claims with Resolution Professional and have also invoked the corporate guarantee/ put options issued by the Company.

The National Company Law Tribunal, Mumbai Bench vide its order dated 26 February 2020, have approved the request of lenders of LCL and WAML to consolidate LCL, WAML and Dasve Convention Centre Limited (a subsidiary of LCL) and thereby get better valuation on liquidation.

The Resolution Professional is in the process of formulating a resolution plan including identifying potential resolution applicant.

The liability of the Company shall be determined once the debts due to these lenders are settled by Resolution Professional upon completion of the IBC process.

Pending the outcome of the resolution process, no provision has been made in the financial statements as the impact, if any is currently unascertainable.

DUES TO MICRO, SMALL AND ENTERPRISES:

We certify that no amount of interest is due to micro, small and medium enterprises.

GENERAL:

We have complied with all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance. There has been no non-compliance with requirements of regulatory authorities that could have a material effect on the financial statements in the event of non-compliance.

The financial statements are free of material mis-statements, including omissions.

DEFERRED TAX:

Deferred tax assets have not been recognised because it is not probable future taxable profit will be available against which the company can use the benefits there from.

SUBSEQUENT EVENTS:

The COVID-19 pandemic has severely disrupted business operations due to lockdown and other emergency measures imposed by the various governments. The Company has evaluated the impact of this pandemic on its business operations, liquidity and the recoverability and carrying values of its assets as at the Balance Sheet date and based on the management's review of current indicators and economic conditions there is no material impact on the profit for the year ended 31st March, 2022.

Other than above no events or transactions have occurred since the date of Balance Sheet or are pending that would have a material effect on the financial statements at that date or for the period then ended, other than those reflected or fully disclosed in the books of account.

AUDIT REPORT & CARO Related:

- No funds have been advanced or loaned or invested by the company to or in any other person(s) or entities, including foreign entities ("Intermediaries"), with the understanding that the intermediary shall whether directly or indirectly lend or invest in other persons or entities identified in any manner by or on behalf of the company (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of ultimate beneficiaries.
- 2. No funds have been **received by the company** from any person(s) or entities including foreign entities ("Funding Parties") with the understanding that such company shall whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or provide guarantee, security or the like on behalf of the Ultimate beneficiaries.

- 3. No dividend were declared/paid during the year by the Company, therefore question of compliance of section 123 of the Act does not arise.
- 4. None of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- 5. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
- 6. The Company is not a Nidhi Company and hence clause3 (xii) of the Order is not applicable to the Company.
